

2012 Acts 1:8 Associational Week of Prayer

- Works we are supporting through our budget

Sunday – Eternal Life, Auburn

Pray for Pastor Davis Kreydatus. Pray that the Lord would bless them and use their planned revival services to reach new people.

Monday – Good News, Waverly

Pray for Pastor John Talada. Here is his prayer request. “Our greatest need for The Good News Church is to reach out to younger folk (i.e. under 40 age-group). We are all grateful for the work done here and especially for those who have come to the Lord and are now excited about serving him. However, most have been middle-aged and seniors. We really look forward to seeing children and families in regular attendance. We certainly appreciate the prayers of others in the Association.”

Tuesday – Lighthouse, Syracuse

Pray for pastor James Pannafino. Here is his prayer request. “Pray for wisdom as we seek to reach the forgotten people of our beloved inner city of Syracuse. Pray that the power of the Lord be exhibited in the sacrifice and giving of ourselves for the cause of our Savior. Pray, as we step out in the developing and activation of the 'Mobile Ministry Team' (MMT), that God's 'love in action' be witnessed by multitudes of lost souls and that many would come to true repentance and the salvation of our Lord.

Wednesday – Outpouring, Oswego

Pray for Pastor Zach Neyhard as they develop and implement plans to reach people connected to SUNY Oswego.

Thursday – Napoli, Syracuse

Pray for Pastor Bhim Biswa. Pray for their summer activities – especially the international soccer league – that many people would receive Christ through their efforts.

Friday – Summit, Cazenovia

Pray for Pastor Dan Schallmo. Pray that they will be able to find a permanent facility. Pray for their efforts to reach out with the Gospel.

Saturday – Transformation, Syracuse

Pray for Pastor Pedro Abreau. Pray for their efforts to bring Hispanics to the Lord and disciple them. Pray also for their desire to plant another Hispanic Church in conjunction with Nueva Esperanza = probably in the Binghamton area.

Sunday – Our Peru Project

Pray for Dr. Rick and Donna Martin, who have felt a call to assume leadership of our Peru Project to start churches among the Quechua Indians in the Andes Mountains of southern Peru. Pray that they will have a clear direction about how to go about responding to the Lord's call. Pray for financial & other kinds of support for this life changing move.

- **The Acts 1:8 Knapton Associational Mission Offering goal this year is \$1000.** This special offering from our churches will go toward our own “World Changer” type project in the Binghamton area on during the week of July 23-27.
