

2014 Week of Prayer
for Associational Missions

Sunday – Church Planting In CNYBA

Pray for the Lord of the Harvest to send laborers into the field. Pray that the Lord will call out men from our churches to begin new churches across the CNYBA territory. Pray for sensitivity to the Holy Spirit in finding “people of peace” who can help start new congregations.

Monday – Ronnie Wyatt

Pray that the Lord would continue to bless the ministry of The Neighborhood Church in the Butternut/Schiller Park neighborhood of Syracuse, as they share the love of Christ with the homeless and refugees in a neighborhood known by the local police as “The War Zone.”

Tuesday – Brandon Owen

Pray for God to bless the establishment of Mission Church University in the area around Syracuse University. Pray that efforts to bring the good news of the gospel to this area would be effective and fruitful.

Wednesday – Mike Mazzye

Pray that the Lord would continue to bless the establishment and ministry of Renovation Church in the Clay/Liverpool area of Syracuse. Pray that the good progress experienced so far with over 100 in attendance on Easter Sunday morning will continue throughout the year.

Thursday – Jon Speed

Pray for Christ Is King Baptist Church being established on the south side of Syracuse. Pray for the strengthening of folks already reached and wisdom and guidance in reaching others. Pray for encouragement and resolve as this new congregation moves into the next phase of its history

Friday – Bill Deckert

Pray for this inner city congregation in Binghamton. Pray for increased attendance and finances that would signal the strengthening of this – the only Southern Baptist work in the city. Pray for them as they consider moving from their current location, that they might find the perfect spot.

Saturday – Leadership Development

Praise the Lord for those who attended the first two CNYBA Spring Leadership Development Forums. Pray that more leaders will attend the third Spring Leadership Forum at the end of May and the three CNYBA Fall Leadership Forums scheduled for August, September, and October. Pray that the Lord will use these sessions to strengthen the churches of CNYBA.

Sunday – Mission Peru

Pray for Dr. Rick Martin, and his wife Donna as they prepare to go to Peru to lead our CNYBA Peru Project to the next level of development. Pray that they will be able to raise the necessary funds for this venture of faith so they will be able to leave for the field this fall. Pray for souls to be saved in Peru because of their commitment.

- **The 2014 CNYBA Knapton Associational Mission Offering** associated with the Week of Prayer for Associational Missions will go to our New Work Fund to help financially with church planting projects within CNYBA.
