- On Monday past one of the guys in OBF and I traveled to Buffalo to visit with one of our OBF men's brother, who has just had a bone marrow transplant at Roswell Cancer Hospital.
- On Thursday past I led our weekly Open Bible Fellowship Bible study, where 27 attended our session second session on how to study the Bible using an inductive study method.
- On Saturday past I was honored to be asked to accompany one of our OBF men to a Gideon luncheon. Always great to hear stories about how Bible distribution is so welcomed and effective internationally. Most of us have two, three, or more copies of the Word of God while others around the world have no copies. May God bless the efforts of the Gideons to put make the Word of God available to as many people in the world as possible.
- Sunday morning past Lyn and I made a "bridge" visit and worshiped with the good folks of Windom Center Community Church - at the special invitation of Pastor Jeff Bisher. Pastor Jeff formerly was a member at **Emory Chapel, Waverly** and a member of our CNYBA Leadership Team. It was my honor and joy to officiate at Pastor Jeff's ordination. I look forward to possibly a closer relationship with this congregation in days to come.
- Last night Lyn and I worshiped with the good folks at **Open Bible, Catatonk**, where I am serving as Church Planter/Pastor.

Missionary Moments

- [Europe] As Christian workers JASON and DIANA FULLER* examined their city in Italy, they realized God’s heart is to reach every segment of their city and nation. They asked Him to reveal “God-prepared” people in whom He was already working. One day, Jason met a man named Patrick through his language exchange flyer. Patrick’s family invited the Fullers to lunch in their home. As Patrick walked them to his apartment building, Jason realized he had prayerwalked outside Patrick’s building the same week Patrick first contacted him. During lunch, they learned that Patrick’s mom is a believer and wants Patrick to follow Jesus. Gifts through the Cooperative Program enable the Fullers to share with more “God-prepared” people in Europe.
- [New York] As a church planting catalyst for the Frontier Baptist Association in western New York, MICHAEL FLANNERY is helping to start new churches in a region where as many as 200 different languages are spoken daily. Currently there is only one SBC church for every 40,000 people in the area. Although Michael says western New York is highly religious, few people have a personal relationship with Jesus. Your gifts given through the Cooperative Program help Michael discover, develop and deploy church planters to this needy mission field. He asks Southern Baptists to pray for God to provide more church planters to push back lostness in the region.
