Date Adopted: 13 October 2001

Effective Date: 13 October 2001

POLICY

All new work projects where CNYBA participates with BCNY and/or sponsoring churches must function under two basic documents:

1. A Cooperative Agreement negotiated among, and agreed to by, all entities involved which includes the association in some kind of advisory role that will allow input, counsel, and advise.
2. A Mission Pastor Job Description negotiated among, and agreed to by, all entities involved which allows for supervision, support, specific expectations, and periodic review.

The *basic form* of these two documents should be the model of each developed by the Church Planting Team and adopted by the association – with modifications as negotiated among, and agreed to by, all entities involved.
