Week of April 14

“Hosanna Rocks”

Bettie Norris, Founder and Director

Rolling Hills Early Education Enrichment Program

John 12: 12-16 (AMP)

The Triumphal Entry

12 The next day, when the large crowd who had come to the Passover feast heard that Jesus was coming to Jerusalem, 13 they took branches of palm trees [in homage to Him as King] and went out to meet Him, and they began shouting and kept shouting “Hosanna! Blessed (celebrated, praised) is He who comes in the name of the Lord, even the King of Israel!” 14 And Jesus, finding a young donkey, sat on it; just as it is written [in Scripture], 15 “Do not fear, Daughter of Zion; Behold, Your King is coming, seated on a donkey’s colt.” 16 His disciples did not understand [the meaning of] these things at first; but when Jesus was glorified and exalted, they remembered that these things had been written about Him and had been done to Him.

As a pastor at Rolling Hills, I've met 9 of the 10; no brag, just fact. As a pastor I've had the pleasure to serve with 7 of these 10 choir directors of Rolling Hills Community Church!

It has been a joy to serve with the Rev. Devlon Goodman these past couple of years. His mix of musical expertise, teaching skill, and pastoral sensibility has enriched the Christian lives of many through worshiping at the traditional services at Rolling Hills. We pray he and his family God's grace as they move to their next adventures in Mesquite, Texas. Rev. Dev's last Sunday with us is Easter Sunday, April 21.

It is with excitement and great anticipation that we announce that Jim Christie will be the 11th choir director of Rolling Hills, starting Sunday, April 28th. Jim brings a world of experience with him to this post, officially titled "Traditional Worship Music Director." Jim had two majors in college – public school music and chemistry. He went on to pursue a PhD in Chemistry, and offered his musical abilities to direct several church and community choirs, including Community Church of God in Chico, CA, and Somerset UMC, Somerset, TX. Jim plays piano and organ, guitar and trumpet, as well as hand bells ... not to mention that he can sing! ... And you may know that already from seeing he and his wife Julie sing in the 9:30 choir. Welcome, Jim, as we look forward to worshiping and working for the Lord together!
