

# Q max

Q Max is a daily micronutrient complex of 36 vitamins, minerals, and amino acids—including the methyl forms of vitamin B12 and folate—that fuels foundational nutritional support to your brain and body at the cellular level for maximum results.\*

## Micronutrients for maximum results

Both your brain and body need power. That power comes from the fuel in micronutrients that are required to help manage the stress of everyday life, improve mood stability, mental clarity, and support your organs, muscles, and the rest of your body. The most reliable way to ensure that you get all the micronutrients you need for maximum health is from the vitamins, minerals, and amino acids in Q Max. It's a super micronutrient formula for your brain and body.

Because nearly half of the population has a genetic trait known as the MTHFR gene mutation that affects proper methylation — this means that your genes either “turn on” or “turn off” because of lack of certain B12 vitamins — Q Max includes the methyl forms of these essential micronutrients to ensure proper nutrient absorption by everyone with an MTHFR deficiency. Additionally, each capsule undergoes a 96-hour preparation where the minerals are ground into nanoparticles so your body can best absorb them. This process, called micronization and chelation, requires 96 hours—that's 4 days—and it increases bioavailability for maximum nutrient absorption in the brain and body.\*

### Features:

- Contains a well-balanced blend of 36 vitamins, minerals, and amino acids for complete, whole-body health.\*
- A unique 96-hour micronization and nano-chelation process increases bioavailability for maximum nutrient absorption at the cellular level.\*
- The methyl forms of vitamin B12 and folate are more easily absorbed and utilized by the body.\*
- Formulated to also provide essential nutritional support to the brain for improved cognition and overall brain health and function.\*

### Key Benefits:

- Supports whole-body health at the cellular level\*
- Promotes improved cognition and overall brain health\*
- Increases energy production\*
- Easily absorbed for maximum results\*

**Suggested Use:** Take two capsules twice per day, on average. Store in a cool, dry place.

### Manufactured for:

Quintessential Biosciences, Inc.  
2162 W. Grove Parkway, Suite 150  
Pleasant Grove, UT 84062

## Supplement Facts

Serving Size: 4 Capsules  
Servings Per Container: 30

Amount Per Serving		
Vitamin A (as retinyl palmitate)	1536 IU	30%
Vitamin C (as ascorbic acid)	160 mg	267%
Vitamin D3 (as cholecalciferol)	384 IU	96%
Vitamin E (as d-alpha tocopheryl acid succinate)	96 IU	320%
Thiamine (as thiamine mononitrate)	4.8 mg	320%
Riboflavin	3.6 mg	210%
Niacinamide	24 mg	120%
Vitamin B6 (as pyridoxine hydrochloride)	9.6 mg	480%
Folate (as methyl folate)	384 mcg	96%
Vitamin B12 (methylcobalamin)	240 mcg	4000%
Biotin	288 mcg	96%
Pantothenic Acid (as d-calcium pantothenate)	5.8 mg	58%
Iron (as chelate)	3.7 mg	20%
Iodine (from Atlantic kelp)	56 mcg	37%
<b>Q Sciences Proprietary Nano Blend</b>	2,251 mg	**
Calcium chelate, phosphorus chelate, magnesium chelate, potassium chelate, zinc chelate, manganese chelate, copper chelate, chromium chelate, selenium chelate, molybdenum chelate		
<b>Q Sciences Proprietary Optimization Blend</b>	670 mg	**
Choline bitartrate, DL-phenylalanine, vanadium chelate, citrus bioflavonoids 10%, inositol, L-glutamine, L-methionine, boron chelate, grape seed extract, ginkgo biloba leaf extract, germanium sesquioxide, nickel chelate		

\*\*Percent Daily Values are not established

**Other Ingredients:** Gelatin, glycine, citric acid, magnesium stearate, turmeric root extract (color), mineral wax, microcrystalline cellulose, silicon dioxide.
