

# Q restore OTC

Q restore OTC hydrates and soothes your skin, while promoting natural healing. Perfect for treating minor cuts, lacerations, abrasions, first and second degree burns, and skin irritations, Q restore OTC has been evaluated in standard tests that show it can reduce the levels of common troublesome microorganisms including: *Staphylococcus aureus*, *Pseudomonas aeruginosa*, *Escherichia coli*, MRSA and VRE, as well as fungi such as *Candida albicans* and *Aspergillus niger*.\*

## Why Q restore OTC?

For years colloidal silver was used as a disinfectant to ward off harmful microorganisms. Through new manufacturing technology with multiple patents, nano-silver solution has become the new standard by which all other silver products are measured. Q Sciences has harnessed this antibacterial strength with our patented, 24 ppm proprietary silver solution in Q restore OTC. With the damage our skin can incur daily, Q restore OTC ensures natural healing and protects against bacterial infections and illnesses.\*

### Features:

- Nano-silver technology
- Made with 24 ppm proprietary silver solution
- Ideal to be used daily with both children and adults
- Scientifically tested

### Key Benefits:

- Formulated to promote natural healing\*
- Safe for both children and adults\*
- Protects against bacterial infections and illnesses\*
