

Q Miracle Repair Cream

Q Miracle Repair Cream protects and repairs your skin for a healthy and lustrous look. The active ingredients in Q Miracle Repair Cream accelerate skin metabolism, activate cell division, and limit inflammation to protect your skin against wrinkles, fine lines, and discoloration.*

Protect and Repair your Complexion

Protect your complexion against the harsh elements of the day and repair your skin while you sleep with Q Miracle Repair Cream. Because dry, cracked, inflamed, and itchy skin leads to premature signs of aging, Q Miracle Repair Cream limits the damage caused by exposure to the sun, severe weather, and poor lifestyle choices. For best results, use in combination with Q Miracle Gel and Q Miracle Anti-Wrinkle Serum.

Directions for Use:

- Scoop out a pearl-size amount of Q Miracle Repair Cream
- Apply in a circular motion to the entire facial area
- Perform application both in the morning and the evening
- For best results, use with Q Miracle Gel and Q Miracle Anti-Wrinkle Serum

Ingredients: Water, Butylene glycol, Glycerin, Cetyl ethylhexanoate, Trimethylpentanediol/Adipic acid copolymer, Hydrogenated polydecene, Arbutin, Cetearyl alcohol, Cyclopentasiloxane, Glyceryl stearate, Caprylic/Capric triglyceride, Betaine, Stearic acid, Polysorbate 60, Cyclohexasiloxane, Sorbitan stearate, Microcrystalline wax (Cera Microcrystallina), Dimethicone, Sodium hyaluronate, PEG-100 stearate, Glycosyl trehalose, Sucrose fatty acid ester, Hydrogenated starch hydrolysate, Sodium polyacrylate, Phenoxyethanol, Fragrance, Cladosiphon okamuranus extract, Caprylyl glycol, 1,2-hexanediol, Ethylhexyl stearate, Hydrolyzed silk, Tocopheryl acetate, Cetearyl glucoside, Citrus grandis (grapefruit) seed extract, Xanthan gum, Dipotassium glycyrrhizate, Adenosine, Bambusa textilis stem extract, Pinus palustris leaf extract, Disodium EDTA, Trideceth-6, Hydrolyzed collagen, Carthamus tinctorius (Safflower) oleosomes, Yeast extract, Placental protein.

Note: Due to differing types of skin, you may experience different results with skin care products. You are encouraged to test Q Miracle Repair Cream on a small patch of skin (preferably on the elbow bend) before applying it generally.

Avoid application to wounded or infected area(s). Do NOT use if irritation develops. If so, consult a physician immediately. Keep out of reach of children. Store in a cool dry place.

*Individual results may vary.
