

Q C+

Because vitamin C and zinc play important roles in nutrition, immune defense, and overall health and wellness, Q C+ offers a powerhouse complex of vitamin C, zinc, L-lysine and vitamin E that supercharges your immune system to protect from common ailments.*

Vitamin C:

- Repels free radicals*
- Is involved in collagen synthesis*
- Helps to prevent bleeding and aids in wound healing*

Zinc:

- Required for insulin formation and activity*
- Essential for enzymatic processes*
- Helps maintain healthy liver function and releases vitamin A*
- Needed for healthy reproduction and immune systems*

L-lysine:

- Increases absorption of calcium*
- Aids in prevention and treatment of cold sores*

Vitamin E:

- Protects cells against damage caused by free radicals*
- Assists in formation of red blood cells and helps maintain stores of vitamins A and K, iron and selenium*

Features:

- Provides additional nutritional support*
- Formulated with the highest quality natural ingredients*
- Delivers maximum absorption and effectiveness*
- Each tube contains approximately 30 servings*

Suggested Use: Before initial use, activate the pump by pressing two to four times. Shake gently and spray directly into mouth up to eight sprays per day.
