

Q Renew

Q Renew is a deep clarifying and moisturizing gel that cleanses, rejuvenates, and gently exfoliates for smooth and supple skin. In just 30 to 60 seconds daily, the innovative ingredients of Q Renew work synergistically to diminish signs of aging and promote a more radiant complexion.*

Healthier, Younger Looking Skin

As the body's first layer of protection against the damaging pathogens and dangerous toxins we come in contact with daily, our skin deserves and requires a little tender love and care. Created with the finest botanical ingredients nature has to offer, Q Renew goes beyond simply cleansing to protecting, regenerating, firming, smoothing, and moisturizing the skin for a healthier, younger look and feel.*

Directions for Use:

- Apply gel evenly to clean, dry face and other areas of the body in need of rejuvenation.
- Allow gel to set for 30–60 seconds. Rubbing in a circular motion, the gel will liquefy and ball up. Continue rubbing until balls of dead skin accumulate.
- Rinse with warm water and pat dry.
- Close the container after use.

Ingredients: Water, Butylene glycol, Glycerin, Aloe barbadensis leaf juice, Carbomer, Cyanocobalamin, Phenoxyethanol, Caprylyl glycol, Ethylhexylglycerin, Hexylene glycol, Sodium hyaluronate, Hexanoyl dipeptide-3 norleucine acetate, Whey protein, Perfluorodecalin, Vaccinium myrtillus fruit extract, Saccharum officinarum (sugar cane) extract, Yeast extract, Lecithin, Malus domestica fruit cell culture extract, Citrus aurantium dulcis (orange) fruit extract, Citrus limon (lemon) fruit extract, Acer saccharum (sugar maple) extract, Soy amino acids, Xanthan gum

Note: Due to differing types of skin, you may experience different results with skin care products. You are encouraged to test Q Renew on a small patch of skin (preferably on the inside of the elbow bend) before applying it generally.

Avoid application to wounded or infected area(s). Do NOT use if irritation develops. If so, consult a physician immediately. Keep out of reach of children. Cover lid after each use.

*Individual results may vary.
