

FPC Deacons are calling to check in and update information as the COVID19 (coronavirus) affects an increasing number of people in our communities. The Diaconate is committed to providing, care, contact, and communication in hopes that everyone will be connected to our growing network of Care. We ask that you complete the form below so that we can provide as much support and contact as possible and our team of Deacons, Elders and volunteer care workers can follow up with you as soon as possible by phone, email, or text.

You may opt out of this action at any time. If you wish to be removed from our contact list, please email Michele Hendrix, Moderator FPC Diaconate at tmichelehendrix@icloud.com or call 832-731-6127. Please use this as a resource for your calls. Use what you need, these are for you should you need to reference them during your conversation.
