

## Missional Practices Grant Request

### Missional Ministry Team

Luke 10:2

"The harvest is plentiful, but the laborers are few; therefore ask the Lord of the harvest to send out laborers into his harvest.

In an effort to encourage congregations within Newton Presbytery to engage in one or more of the Six Missional Practices, the Missional Ministry Team (MMT) is offering eight grants for \$500.00 each for the calendar year 2018.

### **These Missional Practices are:**

Dwelling in the Word  
Dwelling in the World  
Hospitality  
Spiritual Discernment  
Announcing the Kingdom of God  
Missional Action

Congregations are encouraged to engage in one of these practices. As these practices begin to form new habits within a congregation, a clearer sense of vision will emerge. MMT would like to support these new visions with seed money. These grants will be given out on a first-come/first-served basis.

# Practices of a Missional Church

## Dwelling in the Word

Immersing ourselves in the Word so that it shapes our imagination, intentions and actions. Missional Innovation is a spiritual journey and so is shaped first by God's Word among us.

## Dwelling in the World

Becoming alert and observant of the people in the world where God has sent us. The Father sent the son into the world, the Father and the Son send the Spirit, and together sends the Church. Particular aspects of this practice are recognizing "people of peace" and potential partners in mission

## Hospitality

Creating the safe space and forming multi-cultural Christian community within God's mission in and for the world.

## Spiritual Discernment

Recognizing where we are and how the Holy Spirit is leading us in the formation of Christian Community within God's mission.

## Announcing the Kingdom

When Jesus tells the disciples "you will be my witnesses, when the Holy Spirit comes on you," he is promising that they will see Jesus at work and they are to bear witness to his presence and work in the world.

## Focus for Missional Action

In a world of possibilities, it is easy to dissipate our energy by pursuing too many good things. Focusing our energy and attention on actions that move us further in God's mission in the world is central to fulfilling a missional life.

The Church does NOT have a mission....

God's mission has a Church!
