Congregational Partnering Grant: Developed to be used as a matching grant for funding an outstanding project or projects aimed at new church development or revitalization within each presbyter. The Synod's Congregational Partnering Grants Program receives proposals for projects that are not funded through the General Assembly Mission Grant Program or Presbyterian Investment and Loan Program (PILP) and evaluates proposals that are submitted for funding through those programs when a Synod endorsement is required. This is a one-time request and not for on-going funding.

Peacemaking Funds: The peacemaking funds are available for congregations and presbyteries seeking to coordinate events and programs that bring awareness to peacemaking purposes.

Justice, Peace & Integrity of Creation (JPIC) Grant: The Synod Committee for Justice, Peace, and Integrity of Creation is offering small grants to churches to reach out and initiate an event or exchange with a church of different ethnic background.

Racial Ethnic Pastoral Leadership (REPL) Scholarship Program: Racial Ethnic individuals pursuing M.Div. degree or equivalent.
