

MARCH 23,

Island Tumblers Gymnastics

April Newsletter

Staff Spotlight

Coach Megan

Coach Megan is from Mililani, Hawaii. She has done competitive gymnastics for 6 years and will be returning to compete for her senior year. She's been coaching gymnastics for 3 years and is currently a recreational and competitive team coach. "Coaching gymnastics is more than just coaching a sport- it gives you the chance to give kids memories that they'll never forget, friends that will be with them forever, and life lessons that they'll carry with them for the rest of their lives."

- Coach Megan

Spring Theme

Every 4th week of the session will showcase a special theme in our Twinkling and Rising Stars classes! The theme for Session 4 will be Spring into Action!

Make-up Policy

Students are entitled to 1 make-up class per four week session regardless of reason for the absence or the number of missed classes. Your child must have missed a class before scheduling a make-up. 24 hour notification is required to reschedule a make-up class. If you miss a scheduled make-up it will still be counted towards your one allowable make-up for the session.
