

Dear Achievers Customers,

We are excited to announce that starting January 2016, all our Achievers programs will be moving to a monthly payment system.

The Achievers Gymnastics recreational program is a year-round program with a monthly tuition based on an average of four classes per month. If five classes are available, we will not increase tuition; similarly, if three classes are available, we will not pro rate. With the new monthly payment system, some additional changes to tuition will be implemented:

**New Monthly Tuition Rates for Recreational Classes:**

\$65.00 for 45/55-minute classes

\$73.00 for 85-minute classes

**How Our Automatic Payment Plan Works:**

Tuition is paid monthly using your credit card or debit card. Tuition will be deducted from your account on the 25<sup>th</sup> of each month (Starting in January, 2016) for the following month's classes. For January's tuition, we will keep the December 31<sup>st</sup> date for autodrafts.

If there are changes to your credit or debit card, the information must be received by the 20<sup>th</sup> of the month online or at the front desk.

If for some reason your credit card is declined, the issue must be resolved by the end of the current month to continue in the program.

If you need to withdraw from the automatic payment plan or choose to become inactive in the program, a withdrawal form located at front desk or on our website must be received by the 20<sup>th</sup> of the month prior to withdrawal.

**If You Choose to Decline The Automatic Payment Plan:**

Monthly payments may be made by cash, check or credit/debit card. Payment must also be received by the 25<sup>th</sup> of the previous month to guarantee your child's class for the following month.

**Late or Missed Payments:**

If payment is not received by the 25th of the previous month, our system tags your child as inactive and releases their class slot. Late payments are accepted but unfortunately cannot guarantee same day, same time class. In order to avoid the \$20 fee, late payments must be made by the 30<sup>th</sup>.

**Enhanced Family Membership Fee Plan:**

We are also adding an enhanced family membership fee plan with three different levels of membership: Gold, Silver and Bronze. You will be hearing more about the added benefit change soon.

Current members' anniversary date will stay the same, with the opportunity to upgrade their membership in January. The annual membership fee (depending on the level you choose) will be added to your tuition on your anniversary month. This family membership fee covers administrative cost and student/athlete secondary insurance and will now include discounts on most of the special events and extra services we offer. In addition, there will be discount levels for pro shop purchases.

Thank you again for your support and business. Achievers is looking forward to an exciting new year!

If you have any questions, please contact our front office for answers.

Sincerely,

Frank Kudlac
