BIDDING FOR A QUALIFYING MEET AND/OR STATE MEET

MEET DIRECTORS/HOST CLUBS

Clubs bidding for a meet must be a current **active member** of both AAU and Team Florida.

Club must actively compete a minimum of two (2) levels of gymnastics offered within a given season at their own awarded meet and make a commitment to compete a minimum of two (2) levels at that season's State Championships. gymnastics (Level 1,2,3,4,5,6,7,8,9,10 and all excel levels. Ladies division does not qualify).

NOTE: Prospective bidders – This rule is in effect so that our AAU/Team Florida program and competitions are actively supported by the clubs who profit from the revenue that all Team Florida meets provide. The Team Florida organization is a quality competition to all of athletes, not simply a way for clubs to profit financially with little to no support of the program. We welcome any club to bid for meets if they subscribe to this philosophy.

Host club must attend a minimum of two (2) qualifiers within the season hosting.

Within seven (7) days of the conclusion of the meet, Meet Directors will send the following to:

Terry Doster, 2 Adalia Ave 703, Tampa FL 33606:

\$7.00/athlete that registered for the meet

\$3.00/judge

\$75.00 sanction fee reimbursement

There will be a \$25.00/day fine for each day payment is not reached after the seven (7) day Period.

Meet results by Level (1 report for each level...not by age, not by divisions – refer to directions in handbook) and the coaches sign- in sheet.

MEET DIRECTOR RESPONSIBILITIES

Awards:

Medals will be given for all levels 2-10 including Ladies Division. Level 1 will receive Achievement Awards ribbons on cards. The medals will be identical. You will place your order With Crown Trophy of Sarasota (6119 Clark Center Ave, Sarasota 941.925.7372).

Scoring Staff/Award Presenters:

Presenting awards will go from last place to first place.

Example: If there are 12 athletes in a group, the first awards placement will be 7th place (1/2 plus 1). 6th place, 5th place etc until the 1st place winner is reached.

Awarding Ties:

If two or more athletes tie for the final placement, all athletes receive an award and all are called to the podium. If two or more athletes tie for placement above the final award, all tied athletes receive the placement award for the tie (all receive 5th place or 2nd place or 1st place etc) and all are called onto the podium and stand behind their place. The next award (other than 1st place) will be the placement after the number of skipped places depending on the number of ties.

Example: 3 gymnasts tie for 5th place – all three are awarded and called to the 5th place. The next awards placement called would be 2nd place and the athlete would stand behind the 2nd place card. 4th place and 3rd place on the podium would remain empty. In this way, all athletes receive the correct award for the place in which they finish. It is not the job of judges to try to break ties. Their job is to evaluate routines and award the most accurate score possible. If five people tie on vault, it is what the judges saw in their evaluation.

Mailing Awards:

State Meet Directors are responsible for mailing team awards to winners in a timely manner if they were not present to pick them up at the meet. Waiting to give the award to a coach at another meet is not acceptable. This also goes to placement awards that gymnasts, for whatever reason, did not receive them, or if there was a mistake on placements.

Any gymnast which is injured or becomes ill during competition should receive an all-around medal and an athlete gift and any individual placement she won in the events she did compete. The awards y be given to the coach or ailed to the gym if the coach is not present.

Athlete Gifts:

Please make sure you submit a photo of the athlete gift to Kathy Stuenkel, Team Florida President (teamflorida@comcast.net) and Patti Gross, Team Florida Meet Coordinator (patricia.gross@tampagov.net) so they may be approved. If this is neglected by the meet director and you order the gift that is not approved, you will need to purchase additional gifts to compensate, possibly at the last minute.

Please award the athletes gifts along with the all around awards. In this way, the gifts won't be forgotten to be awarded. Do not just pass them out. Awards presenters should remind athletes and parents to make sure they collect all of their belongings, including awards and athlete gift before leaving the awards area. Replacement awards (unless a medal detaches from the ribbon) or gifts will not be given after the awards ceremony is concluded.

Equipment: Hosting a qualifier in your own gym:

If you are holding a qualifier in your own gym, you must inspect your equipment to ensure it is in perfect working order. You must have enough spring boards, air boards, mats, chalk, and space to have a safe meet. Arrange spectator areas so that guests have a clear view of the competition area. The awards area must be large enough to accommodate all athletes and spectators comfortably with seating for spectators. Awards tents may be used outdoors if absolutely necessary but keep in mind temperatures and high and people should have a least shade to stand under. Make sure restrooms are kept clean and replenished.

Equipment: Hosting a qualifier in an outside facility:

If you are hosting your meet in an outside facility, you must email Kathy Stuenkel (teamflorida@comcast.net) all information regarding the venue so that a third party insurance certificate from AAU can be applied for. This is required for all outside facilities. You must furnish the physical address, name of facility and the exact verbiage required by the owners/managers in the manner of how they wish to be named on the insurance certificate. This information needs to be sent as soon as the facility is secured. If you wait and the insurance certificate cannot be obtained, then you will not be permitted to host your meet. If you wait and the insurance certificate has to be obtained outside of the AAU parameters, then you will pay the late fee charge (minimum 30 days prior to the event start date).

Coaches AAU Memberships:

It is your responsibility to check each coach before the meet to ensure they have a valid AAU Membership. A coaches list will be sent to you prior to your meet listed all eligible coaches. If a coach is not listed, they cannot be on the floor coaching. This is mandatory. There is no such thing as a "pending AAU Membership".

If a coach is discovered to be on the floor without an AAU Membership, that coaches club will be fined \$200 as well as the host club for permitting this to happen.

A coach and judge that is on the floor must wear their AAU Membership card. If you see a

coach or judge without their membership card in a lanyard or clipped to their shirt and cannot produce one, they must be escorted out of the competitive area immediately. They may only enter the floor as a coach upon producing their AAU Membership card (they will have the option of printing it out)

Coaches and Judges Meals;

If you are using an outside facility to host your meet (whether a qualifier or state meet) that requires you to use the services of their in-house catering service you are not required to provide meals for coaches. However, if you would like to give each coach on the floor a voucher for concessions, that would be very gracious, but not required. Use the coaches sign in sheet to hand out vouchers: 1 voucher per coach.

If your qualifier is in your own facility, then you should provide at least a mid-day meal to coaches and perhaps a snack later in the day. You may choose to provide dinner as well if the meet will run into the late evening. Breakfast is not required for coaches, but a coffee and tea service would be thoughtful.

Please make sure the judges have access to fluids throughout the competition.

If the judges are driving to the meet in the morning of the start of competition, breakfast does not have to be provided. However, if you have judges staying in a hotel the night before and the hotel does not provide complimentary breakfast, you will need to provide breakfast or pay a per diem for the judges to get breakfast on their own (\$15). If you are unsure if you should provide dinner the last day or not, consider how long the judges will have to wait until they can have dinner depending on the meet schedule. Also, confer with the meet referee regarding this.

Judges who need overnight accommodations will be housed two per hotel room for both qualifiers and State Championships. Be sure that judges' rooms have two separate bed in each room. Pull out sofas do not qualify.

Carol Curley, Judges Assignor (curleynawgj1@gmail.com) and/or Kathy Stuenkel, Team Florida President (teamflorida@comcast.net) will help you with any judging questions.

Door Fees:

To avoid any misunderstandings or conflict at the door, please include with your final schedule a very large notice at the top of the schedule that is sent stating it should be copied and given to parents, along with the original information that was sent by you, the meet director, or scoring director. Coaches should not make their own separate schedule or meet information to send to parents. Incorrect information and door fees are often given to parents which causes volunteers at the door having to handle negative feedback. Also, have copies of what was sent

out to the clubs and coaches displayed at the door fee table and refer parents to these copies as the official information that was sent to their clubs.

Coaches that are not listed on the official coaches' sign-in sheet must pay the door entry fee. Please provide a copy of this list to the volunteers collecting the door fees.

Please inform your volunteers (especially the door fee folks!) where the judges are supposed to go when they arrive. If the meet is in a large facility, please provide directions.

Meet Times For Judges:

It is your responsibility to communicate to Carol Curley, Judges Assignor (curleynawgj1@gmail.com) any and all information concerning the judges. The time schedule for your meet needs to be sent to Carol as soon as possible along with the hotel name, address, phone number. Also, the attire for the judges – if something other than the AAU Uniform. The name of the venue and the address is also necessary. The Judging Assignor is the liaison between you and the judges. Please do not make the assignor wait for this information. It would also be helpful to include your cell phone number in case of emergencies.

Outside Facilities: Certificate of Insurance:

If you are holding a meet in an outside facility, you must notify Kathy Stuenkel, Team Florida President (teamflorida@comcast.net) with the exact verbiage the venue needs to be placed on the 3rd Party Certificate of Insurance. This must be done as soon as you secure the venue and are awarded the meet. It should be listed in your contract with facility as all require the insurance the certificate provides. The 3rd Part Insurance Certificate is not free from AAU. Team Florida pays the fee for the host clubs, but if a certificate is requested late (less than 3 weeks prior to the meet), or if there is a change in how the certificate is worded, there is a late fee charge that will be given to the host club to pay.

Compliant and Non-Compliant Clubs, Athletes and Coaches:

You will receive a list of clubs and coaches that are compliant to compete in the AAU Qualifiers and/or State Championships from Terry Doster, Team Florida Coordinator (terry-doster@msn.com) regarding entries into your meet. You are obligated to check each and everyone on that list to make sure every person on the competitive floor is an AAU member and Team Florida member. This is for liability insurance purposed in the event of an injury or incident, whether it be an athlete coach, spectator, judge or staff member. Basically, anyone in the building can be included in any potential lawsuit.

In case of an injury/incident in the competitive arena, it becomes even more important that every person is insured through AAU. Anyone who isn't whether they are directly involved or not, can result in a disastrous situation. If you are given a list of compliant clubs, coaches and athletes and fail to check each one, you could be held liable for any suit that may arise. If a club,

coach or athlete at your meet is not on the list, please communicate this with Terry Doster, Team Florida Coordinator (terry-doster@msn.com).

Meet Directors Memberships:

All Meet Directors used for AAU Qualifiers and State Championships are required to have an AAU Membership if their name is listed as the Meet Director.

**TEAM FLORIDA AAU GYMNASTICS JUDGES POLICIES FOR QUALIFIERS AND STATE
CHAMPIONSHIPS**
Fall 2018 – Spring 2019

ALL MILEAGE REIMBURSEMENT IS BASED ON .45 PER MILE, NOT THE CURRENT IRS RATE

Travel and Mileage Reimbursement – Rideshares

1. Judges assigned to qualifiers and/or State Championships are expected to rideshare to a competition whenever possible.
2. A rideshare is considered as two or more people
3. Judges who rideshare must set up the ride share on their own
4. Drivers of a rideshare will receive full mileage
5. A judge who is the designated driver of a rideshare, in order to receive full mileage is required to indicate on their vouchers who they rideshared with as well
6. If there are only two judges who are local to each other and one of the judges elects to drive solo to the meet, the both judges are considered solo drivers and the mileage cap will apply to both judges.

Solo Drivers: Judges who choose to drive solo to a competition will receive mileage under the following stipulations:

1. A hard copy of Mapquest (not electronic) will be required, showing the shortest distance from home to meet site and back.
2. All solo drivers must deduct 20 miles from their round trip total. Judges who drive back and forth daily from a competition must deduct 30 miles one time only, not per day.
3. Mileage will be capped for solo drivers as follows:
Fall Season: 120 miles maximum
Spring Season: 220 miles maximum
State Championships: 220 miles maximum
4. Solo drivers may not receive mileage if they drive with family members, coaches, team parents or athletes or anyone not judging the competition.
5. Judges who elect to drive solo do not need to receive permission from the Team Florida President, Kathy Stuenkel (teamflorida@comcast.net) to electively drive solo.

Local Judges:

1. Local judges who live within 15 miles of the site may not receive any mileage even if they are a drive in a rideshare.

No Opportunity to Rideshare:

1. Judges who have no opportunity to rideshare due to extreme distances from another judge on the way to a competition only, may be able to receive full mileage minus 20 miles provided the judge's request is made in writing via email to Kathy Stuenkel, (teamflorida@comcast.net) at least seven (7) days prior to the first day of competition. Requests received after this deadline will not be considered. The reason for the request must be stated and mileage from the nearest judge on the competition must be listed. Whether approved or denied, the Team Florida President will notify judge via return email before the competition. A copy of the approval must accompany expense voucher.
2. If a judge does not apply for mileage request at least seven (7) days prior to competition and receive approval from the Team Florida president, he/she will then only receive the maximum mileage that is allowed for that competition as per the caps for the season (see Solo Driver section).

Exceptions:

1. Meet referees are not allowed to make any exceptions to these policies. The only exceptions are those approved in advance by the Team Florida president.
2. Judges who try to claim full mileage when they were not a rideshare driver (unless they have approval of the Team Florida president or drive with anyone other than a judge on the competition) will be reported to the Florida NAWGJ for disciplinary action.

Judging Hours:

Judging hours will be calculated for all competitions from the beginning of the first routine performed of the first session and concludes when the last gymnast of the last session of the day completes her routine. There will be no break time calculations. In other words, judges are paid straight through the day.

Report Times:

The report time for judges will be 15 minutes prior to the start of timed warm ups. If the meet is capital cup or modified capital cup (warm up/compete each event). If format is traditional (warm up all events, then compete all events), report time will be 20 minutes prior to march in. Report times are not compensated. Judges go on the clock when the first gymnast begins her routine. Judges are not to begin judging until warm ups and march in or team intros have been completed. Judges should wait for signal from meet referee to begin judging.

It has been recommended that the meet director have a designated individual recording the start of the first gymnasts' routine and the last gymnast ending her routine. The meet referee should also record these times and confer with the meet director so that the times concur. Ending time of the last session should be based on the printed time schedule. However, if the meet is obviously ahead of time and there are a large number of scratches or some other circumstances that makes it obvious that the last session will end earlier than printed, the meet referee should confer with the meet director and arrive at a mutual decision.

Meals and Per Diem

Breakfast:

1. If you leave your house to travel to the meet the morning of the meet, no breakfast charges may be made on your voucher.
2. If you stay in a hotel overnight and the meet doesn't provide breakfast by the hotel provides complimentary breakfast, you may not charge per diem for breakfast whether you eat breakfast at the hotel or not. Most meets provide a breakfast of some fashion for judges because not all judges will stay the night prior to the meet start. Contact the meet director, if possible, and ask if breakfast will be provided at meet site.

Dinner:

1. Judges who have a 3.5 hour or longer drive to arrive at the hotel the night prior to a meet begins are eligible to provide a receipt for up to \$15.00 for dinner. The driving time must be verified by hard copy to Mapquest.
2. If dinner is not provided at all at the meet site and you will arrive home after 7pm, you are eligible for the \$15.00 per diem. Driving time must be verified by hard copy of Mapquest. Note: due to the fluctuation of session competition times, dinner may have to be provided at a time somewhat earlier than you may be accustomed to. Please be flexible and understanding in these situations. Do not expect to be served four meals in one day.

Judges cannot provide/share meals, snacks, drinks etc with coaches, family members or friends that are meant for the judges only. Family members/friends are not allowed in the judges break room/area.

Hotel Rooms

1. If you have a one (1) hour drive time or longer from your home to the meet site as verified by Mapquest for an 8:00am report time, you may request a hotel room for the night before the meet.
2. If a competition will not be over in time for you to arrive home by 11:00pm as verified by Mapquest, you may request a hotel room.
3. If a meet director offers you a hotel room and you elect instead to drive to and from the meet site you may only receive mileage for one round trip to and from your home and meet site and deduct 20 miles.
4. If you must cancel a hotel night, you must inform the meet director and the assigner before fees are incurred or you will be responsible for the hotel room cost.
5. You cannot have overnight guests or family members stay with you in the hotel room unless they are contracted judges on the meet even if you are in a room by yourself. If you choose to have a non-contracted judge stay in your room, you will incur the total cost of the room night.
6. Mapquest must be provided in hard copy, no electronic verification showing mileage from home to meet site. Mapquest verification must show both mileage and time it takes for you to travel to the site. You must include the hard copy with your expense voucher. This is your responsibility as a contractor. Failure to provide a hard copy of Mapquest will result in no mileage reimbursement whatsoever.
7. Judges will be housed two (2) per room and in two (2) separate beds. Sofa pull outs are not acceptable.

No ability Division

No age divisions unless there are more than 12 in a group, per level. When the entries exceed 12 gymnasts, they will be divided equally based on date of birth. Elite scores and awarding of elite pins are based on the level of athlete (refer to elite criteria in age group divisions)

Important Reminders

Levels 2,3,4,5,6,7,8,9,10 , Bronze Xcel, Silver Xcel, Gold Xcel, Platinum Xcel, Diamond Xcel

There will be no age groups within the Elite Division unless there are 13 or more athletes in the division. If there are 13 or more Elite division athletes, the division will be divided into age groups of no more than 12 athletes per age group.

Examples:

1. 12 elite athletes. No age groups
2. 13 elite athletes. Two age groups of 6-7 athletes based on dates of birth
3. 18 elite athletes. Two age groups of 9 athletes based on dates of birth
4. 26 elite athletes. Three age groups of 7-8 athletes based on dates of birth

There will be no exception to this rule. Gymnasts can only advance to the compulsory level Elite Division by scoring a minimum of 36.000 All Around. Level Bronze Xcel, Silver Xcel, Gold Xcel and Platinum Xcel must score a minimum of 34.000 All Around. Outstanding ability is the basis of this level, not age of gymnast. It is the meet director's duty to thoroughly explain this rule to parents so there is no misunderstanding.

If there is more than a 3 year difference for a group of twelve (12), that group will be sub-divided so that there is no more than a three (3) year age difference. Be sure when entering athletes list the correct birthdate.

Levels 1: Achievement Awards/Cards, Medals for All Around

Levels 2-10: Medals for placement, ½ plus 1 per division, per age group, per level

CLUB ELIGIBILITY REQUIREMENT FOR TEAM FLORIDA STATE CHAMPIONSHIPS

1. Club must enter and compete in a minimum of two (2) of the three (3) offered qualifiers in their designated section.
2. Club must pay all entry fees by due date of qualifier in order to be eligible. Late entry fees, even if they are accepted by the qualifier meet director will jeopardize your fulfillment of the two meet rule. Paying entry fees after the completion of the meet will automatically prohibit the club from using that qualifier as one of the two required meets even if the club's athletes competed in the qualifier. Likewise, any entry fee checks returned for NSF will cause that qualifier to not count toward the two meet requirement
3. It is not mandatory to have athletes attend all qualifier. The club itself must have a minimum of one athlete entered and compete in two qualifiers. Athletes themselves must compete and receive the required qualifying score for their level in a least one qualifier to be eligible for the state championship.
4. It is not permissible to enter a qualifier, pay entry fees and then scratch all athletes or simply not show up. If the club is using the meet as one of the two required qualifiers,

then Rule #1 applies. Having no athletes compete in a qualifier even if they were entered and paid for, negates that qualifier as one of the required two.

5. If only one athlete is entered into one of the two designated qualifiers the club has chosen to attend and the athlete is injured or becomes ill or an emergency occurs and the athlete scratches, that qualifier will not count towards the two meet rule. Three qualifiers are offered for this reason. The club may then enter and compete in the following qualifier if one is offered, thereby fulfilling their two-meet obligation. If no other qualifiers are offered, the club is ineligible to enter the state championship.
6. If only one athlete is entered and paid for into a qualifier and is injured during the warm ups or competition and withdraws the club has fulfilled the requirement for competing in that qualifier even if the athlete does not receive a score. However, the meet director must make note of this situation when sending scores/results to Terry Doster for recording.
7. When planning your schedule, take the above rules into consideration and make every effort to compete enough of your athletes and compete in enough qualifiers that there are no issues about meeting club eligibility requirements for entering the state championships.
8. If you host a meet during the fall or spring season, you must enter a minimum of two levels in the State Championship meet as per your agreement for bidding and accepting a meet to host.
