FARMINGTON GYMNASTICS ACADEMY is a locally owned and operated gymnastics academy, which began in the summer of 2010 and moved into our new facility in November 2011. We have teams ranging from ages two to adult, and levels ranging from baby tumblers to our Team. Our athletes work very hard training for many hours depending upon their levels.

We are in need of sponsors to assist with expenses. The expenses include performance and event costs, entry fees and gymnastics equipment.

Any sponsorship money that we receive will go directly to the payment of these needs. We hope to receive your support and help us have a successful year.

The following is a list of sponsorship opportunities:
