Inspire Charter School Gymnastics Program

New & Current Members

- In order to use V-Force Elite as a vendor for Inspire Charter School, you will have to sign up for:
3 Months Or 5 Months of Consecutive Classes.
- Annual Membership fee (\$25) is due upon registration . The Membership fee is not going to be billed to Inspire Charter School It is the parent's responsibility to pay the annual membership fee and to fill out the registration form before signing up for gymnastics classes. Annual membership fees are based on the day of registration.
- Make Up Policy: All recreational students are still allowed to miss 1 class a month. In order to schedule a makeup, the parent MUST call the office PRIOR to the missed class in order to schedule a Make Up. You have 1 week to makeup the class and it is based upon availability. Unfortunately there are no makeups for Team Members.
- If your child has progressed rapidly and needs to graduate to the next level, the remaining tuition will be the parent's responsibility.

I have read and completely understand the V-Force Elite Home School Policy.
