

2018-2019 Parent/Athlete Contract

Parent Behavior/Parent Room

Only registered athletes, coaches and team parents are allowed in the practice area. All spectators must stay in the observation room. If you are staying to watch practice you **MUST** refrain from coaching or distracting athletes during practices. We do not allow gossip or negativity (verbally or on social media) about other teams, gyms, Infinity teammates, or staff members. Any issues need to be brought to the gym owner's attention immediately. If you cannot adhere to this policy you will be asked to become a "drop off" parent, meaning that you will no longer be allowed inside the observation room and can only drop off / pick up your athlete. If you continue to cause disruption at that point, you and your athlete will be asked to leave the program. Anyone threatening to quit, pull their child from a team or become members of another gym will be dismissed from the program immediately.

Attendance

Athletes must make Infinity their number one priority over all other extracurricular activities. Please schedule all vacations so that they do not interfere with Infinity practices and activities (exception: summer vacations). All practices, competitions, camps and choreography sessions are **MANDATORY**. You must fill out a vacation form for any planned absences or vacations throughout the year. Infinity will consider any "no call, no show" athletes as no longer wanting to participate in the program and they will be removed from the team roster immediately. **More than TWO absences during the season (August-April) can result in removal from team.** During the week leading up to our weekend competitions, all attendance policies will be strictly adhered to. **ANY ATHLETE WHO MISSES A PRACTICE DURING THE WEEK LEADING UP TO A COMPETITION WILL BE REMOVED FROM THE ROUTINE FOR THAT WEEKEND.** There are **no exceptions** to this rule.

Competitions that require Bids

When a bid is received to The Finale, US Finals, The Summit or Worlds, the bid belongs to Infinity Allstars, not the individual athlete. All of these competitions are "post-season" which means the team size, skill level and routine will be evaluated and possibly changed before the final event. This could result in the removal and/or addition of athletes.
