

## **Explosion Elite Allstars Tardiness and Absences Policy**

**All Competition and Practices are Mandatory. Summer Practices are the only exception and flexible as we understand this is when most families vacation. An absentee form must still be submitted for summer vacation.**

**On-time attendance is very important to the overall success of the team – please attend all practices and arrive on time. Practices may be added or cancelled at the coaches' discretion, and tuition does not depend upon the number or length of practices in a given month.**

**Athletes are expected to attend all practices, and not arrive late or leave early unless that absence has been pre-approved by a coach or as the result of an emergency (in the emergency room, death in the family, etc.). Athletes who are sick but not contagious are still expected to attend practices, although physical activity will be limited.**

**Missing a practice two weeks prior to any competition may result in the athlete's spot being filled.**

**If you are late or absent without a valid or pre-approved excuse 4 or more times during the season, it will likely affect your positions in the routine and may result in your removal from the team. Your absence significantly affects the ability of your team to fully practice its routine. Please be a team member that your teammates can count on. Tardiness is defined as 5 minutes late to any practice or event. All practices the week before a competition are absolutely mandatory and only previously excused absences or serious illness will be acceptable reasons for non-attendance.**
