

## Adendum to Waiver

I being the parent or guardian of the participant acknowledge that the novel coronavirus ( COVID-19) is a global pandemic and that infections have been confirmed throughout the United States and internationally, including in the state in which Splits Gymnastics is located. I further understand and acknowledge that the President of the United States declared that the outbreak of Covid-19 constitutes a national emergency. The Maryland Governor also declared a State of Emergency.

I being the parent or guardian acknowledge that Splits cannot guarantee the participants safety or immunity from infection. There is no known vaccination for Covid-19. The mode in which COVID-19 is transmitted or how long it remains on surfaces is not entirely known. I fully understand, acknowledge, and appreciate these facts and the uncertainty of the virus and how it may impact the participants health. I knowingly and voluntarily assume all risks associated with my child participating in any activity at Splits Gymnastics. This includes classes, entering and exiting the premises, using equipment, interacting with other persons and using facilities within the Splits premises including restrooms. With this understanding I knowingly and voluntarily waive and release Splits Gymnastics LLC and/or their representative directors, officers, employees, volunteers and agents from any and all claims of any type, including for any harm or loss, economic loss, personal injury, disease, death and property damage suffered by my participant (CHILD)
