The following rules will be implemented upon arrival to the gym:

- Temperatures will be taken with a forehead thermometer upon entering the gym. If there is any indication of a fever, the athlete will be sent home.
- A mask must be worn by each athlete upon entering and exiting the gym. Athletes are not required to wear a mask while they are working out but may do so if they please.
- Hand sanitizing stations are located all over the gym and athletes are highly encouraged to sanitize before and after each practice/class.
- Each athlete will need to bring their own water bottle as no one will be allowed to use the water fountains. Drinks must have a screw on top.
- No backpacks or bags will be allowed in the gym.

- The parent viewing area will be closed.

Parents will have to wear a mask to come in the gym to sign in younger athletes. Once classes or practices are over, no one will be allowed to linger at the gym. All athletes will be required to leave immediately after class/practice. In addition, please do not drop athletes off early and please pick up on time.

Please note that competition teams will not be organized or announced immediately.

We understand that even with these guidelines in place, some families may choose to delay entry into another season for personal reasons. We totally understand and although we can't promise their placement on a team later in the season, we will do our best to accommodate where possible.

Thank you for choosing Memphis Pride!
