

## COVID-19 Protocol:

### **General Policies**

- Upon gym entry and exit, everyone will be required to sanitize their hands.
- If your athlete has been *feeling ill or experiencing symptoms of COVID-19*, for the safety of the staff and other athletes, they will not be permitted to enter the gym.
- In addition, if your athlete *currently resides in a household with someone experiencing symptoms or awaiting testing results*, they will not be permitted to participate in activities until their results are confirmed.
- Athletes should only bring personal belongings that can fit into a bag or a backpack as cubbies are not available for use.
- Frequent handwashing and sanitizing will be required throughout programming.
- Non-essential visitors (parents & spectators) are being limited at this time and will be required to wear a mask when in the building.
- Staff will continue to conduct frequent cleaning + sanitizing of high-contact areas daily.

### **Masks**

- Our facility will continue to comply with the recommended COVID guidance from local, state, and CDC officials.
- As mitigation measures continue to relax, it is important to remember that most of the participants at Revolution are not currently eligible to receive the vaccine due to their age.
- As of June 28, 2021, the state mandate will be lifted for all. We highly recommend individuals that are not fully vaccinated to continue wearing a mask and fully support those that are vaccinated to continue use as they feel comfortable.
- Athletes that will be stunting for any reason will be required to wear a mask, regardless of their vaccination status.

**\*\*Special Circumstances\*\***

1. If your athlete has been feeling ill or experiencing symptoms of COVID-19, for the safety of the staff and other athletes, they will not be permitted to enter the gym.
2. If your athlete has been in "close contact" (within 6ft for 15 minutes or more within 24hrs) with someone positive for COVID-19 or presumed positive for COVID-19, and they are not fully vaccinated they will not be permitted to enter the gym.
3. If your athlete currently resides in a household with someone experiencing symptoms or awaiting testing results, they will not be permitted to participate in activities until a negative test results from the individual.
4. If your athlete has previously tested positive or is presumed positive for COVID-19, they will need to show a negative test result before they are permitted to resume participation in gym activities *OR* self-quarantine for the required amount of time as recommended by a health professional and/or the CDC.
5. If your athlete has recently traveled outside of the US, they will be required to follow the appropriate testing requirements before returning to the gym.

If your athlete is experiencing any of these special circumstances, either before or after your athlete has participated in programming at our facility, please email [generalinfo@revolutioncheergym.com](mailto:generalinfo@revolutioncheergym.com) as soon as possible to make us aware of an upcoming self-quarantine, testing, or possible gym exposure.

Revolution is committed to keeping all its staff and athletes safe by engaging in regular safe practices recommended by the CDC, state, and local officials to help slow the spread of COVID-19.
