LVE was founded in 1999, and continues to prosper, grow, and be recognized as one of Las Vegas' premier cheerleading and tumbling programs! We have won countless National Titles and continue to receive invites to the most prestigious competitions year after year. Most importantly, we are a place of inclusion and empowerment for the youth of Las Vegas to grow and prosper in cheer and life.

As an all-star team member, not only will you learn to stunt, jump, tumble, and dance, but also teamwork, dedication, and perseverance. Our team members build life-long friendships and relationships, and they continue to use the values they learn throughout their adult lives.

We look forward to sharing our LoVE of cheer with you!

AT LAS VEGAS ELEMENTS WE BELIEVE...

Ages 6-11: 11:00am - 1:00pm

Ages 12-18: 1:00pm- 3:00pm

All athletes must wear a black fitted top and black shorts. Shoes must be white or black.

We keep the evaluation process very casual and fun! Athletes are evaluated in groups and each person is encouraged to do their best!! Athletes will be asked to show the following skills:

- Jumps, Standing and Running Tumbling (if any), Short Dance (taught during evaluations), Body Positions (Potential Flyers Only)

Athletes will have multiple opportunities to show their skills and they may redo any element they feel they need.

STEP 2:

PRACTICE GROUPS: MAY 20TH-23RD

Practice group schedules will be emailed to each parent/guardian on file by 10 pm May 19th. Practice groups will be made up of athletes of similar age/level to work together in practices prior to team placement announcements.

STEP 3:

TEAM PLACEMENTS: MAY 25TH

Team placements will be emailed to each parent/guardian on file by 10 pm May 25th. Season 26 practice will begin on May 28th. Coaches will continue to monitor athlete development throughout the summer and levels for teams. Final team placement will be determined by choreography in August/September.

Team Selection

How are teams formed?

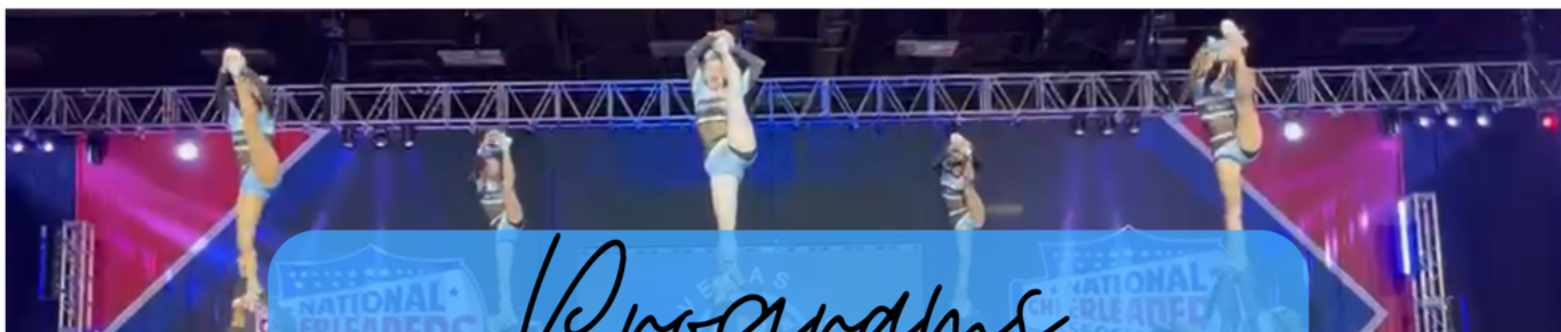

At Las Vegas Elements, our staff will form teams based on many key elements. Tumbling/stunting/jump ability will be taken into consideration in combination with many other aspects including (but not limited to) competitive maturity, performance, and aptitude for adapting to skills and choreography. All areas will be considered as equal parts when forming teams. Athletes should expect to show excellence in multiple areas of the scoresheet (jumps, stunts, tumbling, dance) to be considered "at a level".

We pride ourselves on seeing the potential within each athlete in addition to their current skills. Some athletes will be stronger tumblers than others. Some will contribute more with stunts than others. Every athlete is placed on a team for a reason.
