

Pennsylvania Elite Cheerleading, Inc.

The Pride of PA for 16 Years!!

A new season with more than one
reason to join!

We want to see you

in Orange, White, and Blue!!

Philosophy:

Pennsylvania Elite Cheerleading, Inc. provides a safe, positive environment where athletes of all ages and abilities can grow in the sport while learning life-long lessons in character, teamwork, commitment, responsibility, and respect.

Motto:

At Pennsylvania Elite, we believe success isn't measured in trophies, banners, jackets, or medals. We believe success is measured in personal growth, performance, commitment to yourself, your team, and your sport. Awards can get lost, broken, outgrown, and replaced but success lasts forever. Success comes when each athlete and each team works to outperform their personal best. The journey defines the champion! At Pennsylvania Elite, we are committed to making your journey one that helps you reach that success (on and off the mat).

What separates Pennsylvania Elite Cheerleading, Inc. from other all-star programs in the area?

- ✓ We strive to allow our athletes to succeed not only in this sport but in other endeavors. We value all of our athletes many talents and work to accommodate athletes that are involved in other school/sporting events.
- ✓ We are realistic in our travel and financial expectations. While we work hard to ensure that our athletes attend competitive events and are able to compete at a high level of excellence, we also work hard to do so with reasonable expenses and out of school commitments.
- ✓ All of our coaches are highly knowledgeable and well-trained in the sport. Our team coaches have USASF credentialing, have worked for national cheerleading organizations, have cheered on the state, national, world and/or collegiate level, and are up to date on current level expectations, rules, and choreography.
- ✓ We house athletes from all over central Pennsylvania. Athletes travel over an hour one way to be a part of this cheer family. The friendships and bonds made despite the distances traveled is irreplaceable.
- ✓ We have achieved great success at various levels winning numerous National titles, Grand Championships, and U.S. Final titles. This season we placed 8th in the XSC5 division at World's. We also received three bids to the D2 Summit.
