United Dance Discipline Policy

United Dance expects appropriate behavior when dancers are attending class. Having a positive attitude and respecting others are very high priorities in the United Dance program. If we encounter any problems with a student (s), I will refer to the following policy for discipline procedures.....

- First Incident: A warning is given to the student (s)
Second Incident: Student (s) will sit out for 5 minutes
Third Incident: Student (s) sits out for the entire class and a phone call or meeting with the student's parents will be made by instructor.
Fourth Incident: If above procedures fail to improve student (s) behavior, the student will be released from the dance program.

United Dance strives to promote higher self esteem and confidence in every dancer. If any person (s) interferes repeatedly with this process- that person will be dealt with accordingly and Promptly to lessen the negative impact on the entire group.

If you have any questions/concerns regarding this policy or Behavior of any student (s), please let me know as soon as possible.

Thank you for your cooperation,

United Dance Director
Angie Meister
