Absence Policy Reminder

Absences: Athletes are expected to attend EVERY practice. WE will try to schedule our practices so they do not conflict with school cheerleading. WE ask that our school cheerleaders and their parents request school cheerleading schedules to be given to them as far in advance as possible. WE work hard to make it as easy as possible for our athletes to cheer at school and at Woodlands Elite. Athletes that participate in school cheerleading will be allowed three absences due to school cheer. WE ask that you plan your demerits accordingly. Athletes missing any practice without a valid reason may be removed from the program immediately.

Valid reasons for missing practice are:
1) Contagious Illness 2) Death in Family 3) School Cheerleading (up to 3 required events)

Summer Practices: Summer practice attendance is required. However, WE will approve all requests for vacation or special event absences during the months of June and July except during skills camps and choreography. Our sport is a year long activity and WE realize vacations and other events are a much needed break from our rigorous schedule. WE do request that you attend practice if you are in town.

THERE ARE NO EXCUSED ABSENCES FROM A COMPETITION. Every team member is expected to attend every competition and arrive on time. Any athlete that misses a competition may be removed from the program. In rare instances some teams may be required to compete on a Friday afternoon/evening for a National Competition which may require some missed school time.

Please submit this form to the "WECC" front office no later than 48 hours prior to a scheduled absence, and as soon as possible in the case of a contagious illness. This will allow your coach to plan practice accordingly.
