

Texas Allstar Cheer & Dance Financial Policy

Effective 01/01/2018, the following financial policy will go into full effect:

1. Monthly tuition is due prior to the 3rd of each month.
2. All families must have a current credit or debit card on file, regardless of how each family pays tuition each month.
 - a. If you would like to pay by another method, you are welcome to do so prior to the 2nd of each month, in which case the card you have on file with us will not be charged on the 3rd.
3. Any late payments will incur a \$25 late fee.
4. Any returned checks or NSF (non-sufficient funds) will incur a \$35 processing fee.
5. TAC will process all auto draft payments on the 3rd of each month. A declined card will result in an email notification to the family and TAC processing the card again on the 5th. In the event that the card is declined a second time, the account will incur the aforementioned late fee.
6. In the event that an athlete's account is more than 30 days past due with no attempts to reconcile the past due balance, the athlete will be suspended from his/her program until such time as his/her account balance is paid in full.
7. In the event an athlete needs to drop a class here at TAC, we require written notification on or before the 15th of the month before the class is dropped in order to adjust the account prior to billing on the 1st. Otherwise, your payment method will be charged for the next month's tuition.
 - a. Example: In order to drop a class effective January 1, written notification must be received on or before December 15, or the family will be responsible for January's tuition.
