

USASF Athlete Membership

For the 2015-2016 cheerleading season, all members attending USASF sanctioned competitions are required to register their athletes in the USASF Athlete Identification program. We want this process to be as easy as possible for you, and we need you to get it done ASAP. We are currently registering for competitions, and we have to provide your athletes membership ID. The fee is \$30. This fee goes straight to them, and NOT to TRIBE CHEER. You will also need to upload or scan in a copy of your child's birth certificate. If you do not have a scanner, please bring a copy to the gym and we will get that done!!

*If you were a Tribe athlete last season: You had a user ID and set your own password.

*If you cheered at a different gym last year, you will need to RENEW your membership and it will let you change gyms!

*If you are new to cheerleading then you will need to register as a new member.

Please go to www.usasf.net and click on MEMBER INFO under the ATHLETES TAB!!! Then click SIGN-UP/RENEW.
