WHO ARE WE?

THANK YOU FOR YOUR INTEREST IN BECOMING PART OF TRIBE CHEER

WHO WE ARE

Tribe is literally defined as FAMILY! Tribe Cheer is a family owned business starting our 24th Anniversary season. Many of its managers, leaders, and coaches have been brought up through the Tribe experience. Tribe is composed of hundreds of families and athletes. We are working together to raise successful athletes to the highest level of competitive cheer, but also developing young leaders of good character and strong ethics. Tribe has grown to be one of the best training programs and most successful cheer programs in Oklahoma, and the nation, since we opened our doors in 2001!

WHY TRIBE CHEER IS YOUR BEST CHOICE

There is a unique spirit and energy in the Tribe family, that is duplicated by no other program. If you were to reference any family that has attended other programs, as well as Tribe Cheer, they will clearly tell you we are "a FAMILY!"

Our staff is trained and brought up as superior cheerleading coaches, with an emphasis on training values larger in life than just cheer and to inspire each individual athlete they work with. Our coaches are also trained through USASF and have taken a safety training.

We are proud to be a single facility program out of a centralized location in Moore. We pay close attention to convenience, comfort, and safe training space from front to back. Tribe Cheer has top of the line tumbling training equipment with an in-ground tumble tracks, rod floors, huge landing mats and a foam block pit for safer training. Our facility has the newest and largest state of the art facility in the state and is one of the top cheerleading facilities in the world. Tribe continues to offer the best cost for services across the state.

TEAM PROGRAMS:

NOVICE

This program is the foundation and most important early step towards competitive cheer. Novice is 1 day a week and is designed to encompass all the fun, values, and skills that build toward the next step in our program. Novice teams stay in state for competitions, competing in OKC & Tulsa. Novice ages range from 3 to 14 years old. Team tumbling will be offered as an extension of practice for an optional \$15 a month.

PREP (IN STATE ONLY)

This program requires previous experience in Novice and/or Elite Level 1 running and standing tumbling skills as well as a consistent demonstration of coordination and strength for stunting skills. Like Novice, Prep teams typically practice 1 day a week. They stay in state for competitions, competing in OKC & Tulsa. Prep ages range from 4-14 years old. NOTE: Team tumbling is required as an extension of their practice.

PREMIER PREP (LIMITED TRAVEL)

This program requires multiple years of experience and all Elite Level 1 tumbling skills. Additionally to be a part of this program, all athletes must contribute to the stunting areas of Level 1 and the standing and running tumbling. Premier Prep will encompass all the values of the Elite program with less travel commitment. These teams will practice twice a week with a tumbling class built into one of their practices.

ELITE TEAMS

This program requires a year long commitment with 2-3 practices a week, and a commitment to travel further distances for competition. While we desire to compete at many of the best National competitions, we are always taking consideration to expenses and family friendly time frames. All elite teams have a destination finale travel competition to close out the end of our competitive season. *It is highly important and a constant effort to have our Elite teams competing with other like teams to bring value to the experience and cost of events.*

Mission Statement

Our mission, is to enrich the lives of the athletes and their families through the sport of competitive cheerleading.

Our goal each day is to teach athletes the value of commitment, hard work, integrity, and leadership. While building self-confidence, positive attitudes, and love for the sport; in a structured, encouraging environment centered around Christian values.

By granting permission for "athlete" to participate in programs at Tribe Cheer, I assume full responsibility for "athlete's" personal safety and release Tribe Cheer, its supervisors and employees from any and all liabilities that may arise due to any injury including death to "athlete" by reason of "athlete's" participation in any activity at Tribe Cheer or in which Tribe Cheer is participating elsewhere.

In consideration of "Athlete" being permitted by Tribe Cheer to participate in the above activities, Releasor agrees to the following terms and conditions:

I understand there is personal risk involved in any activity that involves motion, height or rotation and that these activities can result in serious injury, disability or death.

I declare "Athlete" has been seen by a physician and is cleared to participate in physical activities such as gymnastics, cheerleading and tumbling.

I authorize Tribe Cheer to use photographs, video and/or other likenesses of "Athlete" for use in Tribe Cheer promotional materials or sales and waive any rights of compensation or ownership thereto.

I understand the first month's tuition will be required to be paid in full when registering for activities at Tribe Cheer. I understand that I must give written notice on or before the 5th day of the month, one month prior to dropping any class/activity at Tribe Cheer. Furthermore, I understand that if I do not provide Tribe Cheer this notice in writing, that my child is taking up a reserved spot in a tumbling class. I will not get refunded any charges that occur because my child just quit showing up without proper notice.

I understand Tribe Cheer does not refund or transfer tuition for any reason.

I understand there is a **QUITTER'S Fee of \$500** to quit once placed on a Tribe team. This will change the whole overall plan for the team once the athletes have been added to teams based on their certain position.

If quitting or removal from team falls 14 days before a performance event, the required buyout fee will be \$750 owed on the day of quitting or removal.

I understand that my bill must be paid in full before trying out for a new season team, and must continue to be paid in full each month. My athlete may be removed from the team for non-payment, and charged the \$500 QUITTERS Fee. There will be NO REFUNDS if removed from the team for any reason.

I understand that I am responsible for the \$45.00 annual registration fee which will be automatically billed to my account and run with my November 5th tuition.

PAYMENT POLICY

I understand I am required to keep a current credit card on file with Tribe Cheer (TC FAMILY LLC), If my credit card on file expires or I wish to place a different card on file it is my responsibility to do so before the 5th day of the month. If my card is compromised, a payment of another type needs to be made in the lobby or online. If a card is removed with a balance on account, a card with no available funds, or a fraudulent card or number is used on account, LEGAL actions will be taken including an additional processing fee of \$150.

All charges at Tribe Cheer are billed on or about the 1st day of each month and become due immediately. Customers have until the 5th day of each month to pay the balance due on their account via cash, check, etc. All amounts remaining due on the 6th day of the month will be charged in full to the credit card on file. If the 6th falls on a non-business day, then the card on file will be charged on the next business day. If the card on file is not able to be charged for the full amount or is declined, there will be a \$50 late fee added to your account. The athlete(s) associated with the account may be withheld from participating in activities at Tribe Cheer.

I understand any check/payment returned unpaid for any reason will incur a \$25.00 return fee and a \$50.00 late fee. In the case that fake (fraudulent) numbers are changed or entered causing a decline we will charge double the late fee and take all necessary legal and collections actions.
