

# Why I Love Being A Legend...

I Love being a legend because I feel like I can always be myself. In my past years with Cheer Legendz I have always had the best squads, new friendships and I'm sure it will carry on with every new season. I have always said that Cheer Legendz is like my *home away from home*. And the people i meet there are incredible and i would have never had the chance to meet them unless I did Cheer Legendz. I feel with everyone i know and have become so close to with the past years *are like family to me :) and I'm sure this amazing experience will continue on with my coming years with Cheer Legendz~ Stephanie, Leopardz, Age 13*

I like being a Legend because I know a lot of people at the gym, they have hip hop and cheer, we win a lot, it is close to my house, and I have lots of friends there. P.S. I forgot to mention the coaches! ~ Payton, Original Legend, Cheetahz & Tigerz, age 11.

I have been a Legend for two years now, and I love it like I love candy. A lot of people say "Why do you cheer? It's not even a sport." I don't know why it is not considered one because it is the most demanding and you put a ton of energy into performing. I love tumbling, stunting, traveling, etc. But that's not why I love cheer. I have all my friends. These friends are long lasting. You spend a lot of time with them. That's why I love cheer! ~ Madison, Bearcatz, age 12.

They always make me excited to go to practice. Why I love being a Legend is because I feel that I can get more accomplished and that I love the coaches. My most favorite is that we get to go out of town and we get to meet new friends and get to travel with them. Also because I get to fly and when we compete we have fun while on the stage. Also that I get to try to do my back handsprings. Sometimes we get to have a fun practice and just play around and play games. Also I get to go to school and brag to my classmates that I won 1<sup>st</sup>. Also that I brag and tell my friends how good we are and make them want to come and join Cheer Legendz instead of being on another team. And that we just have a good gym to practice in and have fun. That's why I love being a Legend. ~ Alex, Leopardz, age 14.

I love being a Legend because I have so many friends and it gives me something to look forward to. I love all the coaches. My favorite part are the competitions. I LOVE to travel and have parties in hotel rooms and stunting in the pool. There are many other reasons but that could take forever! ~ Lauren, Bearcatz, age 12.

I like being a Legend because it gives me something to do. I like it AND ONLY COOL PEOPLE ARE LEGENDZ!!! ~ Sydney, Cheetahz, age 11.

It's great to be a Legend! I think Cheer Legendz has helped a lot. Even though I am going to be moving I will miss it here so much! At try-outs I did my back tuck and landed it. I was so happy and Fernando was so proud of me. Then I got sick and lost my tuck. Fernando, Tony and Anthony are helping me at least get it back. With this kind of help I'm sure I will. At first, I wasn't in hip hop but now I am and Fernando and Francesca make it so fun. I didn't know what I was missing. At one competition every team of Cheer Legendz won first and medals, and every Grand they handed out was for Cheer Legendz. It's great to be with a team like Cheer Legendz. It's an all around perfect squad. I sure will miss it here when I move. ~ Kaylee, Original Legend, Bearcatz & Tigerz, age 11.

I love Cheer Legendz!!! :) Rachel, Cougarz, Age 12.
