

A-Towne Athletics is a competitive cheerleading and gymnastics organization that has been serving Henry County and its surrounding areas for over a decade.

Competitive cheerleading and gymnastics are both year round sports that require an intense amount of dedication from the athletes, and a sizeable financial commitment from the parents.

A-Towne is a family of teams; therefore, we run our teams as one program-**ONE FAMILY**. Our instructors teach: **PERFECTION** before **PROGRESSION**. This approach has allowed us to be very successful on the National Level.

We make our practices and competitions fun, rewarding, and productive. We create a positive learning environment while pushing our athletes to be the best they can be. We set goals as a team and individuals while teaching accountability. We expect our athletes to improve their technique and progress their skills through efficient practices.

It is our mission to help every athlete meet their maximum potential! With the support of the local community, these young athletes are able to embark upon a memorable journey in their favorite sport.

We are inviting you to assist in sponsoring one of our deserving athletes! You may donate any amount. However, corporate sponsorships of \$300.00 or more are eligible to participate in advertising opportunities within the gym, and be listed on our organization's website.

Please note 10% of your donation will go towards the program's general fund. If you wish to participate, please complete and return this form. **Please make checks payable to:**
