Tumbling Only Members—Upgrade to Unlimited Session

\$ 40 (in addition to monthly fee)

Please pay for your April/May session at the front desk.

Auto-draw is not available.

Ready to be a Champion?
We have a team for you!
MAY TEAM PLACEMENTS

ALL STAR PREMIER & ELITE TEAMS

There is no experience necessary to be a part of our program and we make the placement process very casual and fun! Athletes who are interested in our All-Star Premier and All-Star Elite teams will first attend a tumbling evaluation to be assessed on their current tumbling level. Once they receive their “level”, they will attend team placements where the staff will work with the athletes to determine which teams we will be able to offer for the 2018-19 season. Each athlete will be placed on these teams and/or practice groups. Please note the tumbling level evaluation does not necessarily indicate your athlete’s team level. Each year the teams we are able to form are based on the majority of athlete’s skills and this varies from year to year. Teams are created to be successful within their respective divisions according to the USASF scoring and skill requirements.

ALL STAR FUNDAMENTALS

If you don’t feel quite ready for a team, we are excited to announce our new All-Star FUNdamentals program. Fundamentals is the first stop for kids who are interested in All Star cheer. This will be a FUN, non-competitive, technique centered class session that will prepare first-time cheer athletes to learn about All Star cheer and prepare to transition to competitive teams when ready. We will be offering two 12-week sessions. “Fall FUNdamentals” will run from September through the end of November, and our “Winter FUNdamentals” will run from January—March. We will offer FUNdamentals for ages 3—14. No placement necessary.

PARENT INFORMATION MEETING: WEDNESDAY, APRIL 18TH @ 7:15 PM
