

BUSINESS ADVERTISING OPPORTUNITY

We are excited to be able to offer a new business advertising opportunity that will provide great exposure for businesses in our local community. Businesses will be able to choose an advertisement level that meets their needs, while helping local athletes in the process.

70% of every advertising contract will go directly to the athlete who made the sale. The other 30% will cover the advertising costs, with any leftover funds being specifically held in an account to provide scholarships for families in need and to purchase equipment for the training of all of our athletes.

EXAMPLE OF LETTER TO PRESENT TO BUSINESSES

Dear **NAME OF LOCAL BUSINESS OWNER**,

My name is **ATHLETE** and I am a member of Champion Cheer Athletics' competitive all-star program. Champion Cheer Athletics is a group of highly disciplined, hard-working athletes who love our sport and what it means for us as young people in our community. Our program focuses on values taught through athletics to help us develop and grow into thriving and successful young adults in our community. We set incredibly high goals for ourselves and work to learn the process for success. This year our gym has a Business Advertising opportunity that will not only provide great exposure for your business, but it gives me a way to earn much needed funds to support my participation in the program. The advertising program is given on a year-to-year basis, and we would greatly appreciate your support. Your advertising amount will help me personally, as well as our entire program, as it also helps fund a scholarship & equipment fund that benefits our program as a whole.

The advertising levels are as follows:
