Fulton, Tyrone, North Atlanta area- it was most important to be conveniently located by the expressway while keeping our Jonesboro/Lovejoy families in mind. The area is key for the future and the torture of the 1941 Tara Boulevard traffic is not an issue. One parent exclaimed walking into the gym "It took me 20 minutes from downtown Atlanta!" We are looking forward to being able to open our doors to more patrons- and reopen our summer camp program and after school programs.

New Address: 7008 Commercial Drive Morrow GA
