## **WEATHER POLICY**

If the gym has to be closed due to inclement weather, we will let everyone know via Facebook, Instagram, and our Website [universalathletics.net](http://universalathletics.net). We will also try to leave a message on our answering machine, weather permitting. Closures will be made by 2pm.

If your local school is closed that doesn't always mean Universal Athletics is closed or vice versa. If there are any questions please check one of the outlets mentioned above.

If class is canceled due to inclement weather, please contact the office 270-759-4787 to set up a make-up class.
