Physical Address: 309 Solar Drive
Murray, KY 42071

Billing Address: PO Box 967
Murray, KY 42071

Organization Supervisor:

Thank you for choosing Universal Athletics as your field trip location! We are very excited to show all the students the fun of fitness! Universal Field Trips are a great reward and a great experience for all students! They will get to participate in physical fitness in a fun and creative way!

We strive for every child to have a fun and memorable time! However, our #1 goal is to ensure the safety of every child in your group or organization. Attached are the rules, expectations and guidelines. Please have all participating staff members read and sign acknowledgment below and return on or before the date of your Field Trip.

The Universal Staff members look forward to meeting everyone in your organization. Thank you again for choosing Universal Athletics!

Cordially,

Aaron Scott
Owner, Universal Athletics

Universal Athletics: Field Trip Contract and Waiver

Procedures

- We will always begin each field trip by having the students line their shoes up on the wall and sit in a large group. This is also when we will explain general rules to the students.
- We may or may not split the students into groups. This is completely reliant on the number of students that attend. Because the number expected and the number who come is usually different, the groups are hard to predict.
- We will begin game rotations, depending on how the students are split. This will typically include floor games, obstacle courses/trampoline games, and inflatables.
- We will periodically stop for water breaks and bathroom breaks as a group between rotations.
- To conclude, we will have all the students come back together to put their shoes and we will have them all sit together. We will then dismiss them based on teacher preference. We strongly discourage teachers trying to collect their students individually. This causes disorder and can be very confusing for all the children. If something happens and the students need to be dismissed earlier than planned, please let the coaching staff know and we can round them up in a quick and orderly manner.

Rules:

1. While in our facility, the students and teachers will not be permitted to flip. No exceptions. If any student does intentionally flip, they will not be allowed to play for the remainder of the time. We take this rule very seriously. We do not want any child to get injured.
2. Each game will have specific rules in regards to the safety of all playing. If students break any of those specific rules, they will be given one warning and then will be required to sit out for 10 minutes. This also applies in the Inflatable Fun Zone.
3. We understand that this is an exciting environment and the students will want to run around, but the lobby and front hallway of our facility is tile and concrete. There is absolutely no running permitted on any of the tile or concrete floors.
4. Shoes are not allowed on the equipment. However, socks are optional. We would like to point out that socks do create a lesser amount of traction so the likelihood of slipping is increased. Many students opt to take their socks off, but it is parental preference.

Guidelines:

1. Our restrooms are located in the main hallway. The girls restroom is in front of the large yellow staircase and the boys is underneath the yellow staircase. You will pass by here at the beginning of the field trip.
2. The water fountain is located at the very end of the hallway on the right.
3. We try to keep the field trips interesting and new, so we may change the games and/or the layout of the obstacle course from field trip to field trip.
4. The games played and time spent on a certain rotation will always depend on the number of students attending and the age of those students. Also, behavior and listening skills will be taken into account. If the children are misbehaving or displaying poor listening skills, certain games may be omitted.

Payments:

- Charges are incurred based on the number of students in attendance the day of the field trip.
- Invoices will be e-mailed to address provided by each organization. Invoices will be e-mailed within three business days of the field trip.

By signing, I am acknowledging all of the rules, responsibilities and expectations for a field trip at Universal Athletics. I understand that the nature of this facility could be potentially dangerous so I will ensure the cooperation of myself and staff in conjunction with the safety rules set forth.
