Idaho Falls Elite Allstars is a competitive cheerleading program composed of youth in our community. Cheerleading is an exciting athletic opportunity for these young people. It offers opportunities of exercise and competition while improving participant self-esteem.

Competitive cheerleading is an exciting asset to the youth community. It is a growing sport where many young athletes have the opportunity to compete on a national level. Unfortunately, the costs associated with travel, competition entry fees, uniforms, and gym tuition can become very expensive. We hope that every athlete who is interested in competing has this opportunity. To help offset some of these costs, we are asking you to become a sponsor.

Our sponsors have a special place in our hearts. As a "Thank you" we will show our appreciation by advertising your business or personal name on our team shirts that will be seen by captive audience and will demonstrate your support to our community. Get involved now and join a winning organization that is geared towards building tomorrow's youth.

Please complete the form on the back and include your tax-deductible contribution. You can mail it to the address above or give it to the cheerleader who contacted you.

Sincerely,

Idaho Falls Elite Allstars
