To Whom It May Concern:

The **Laredo All-American All-Stars** are turning to our community and asking for their support in order to raise money to allow our 25 Dipper all-star cheerleaders to travel and compete at the Summit in Orlando, Florida on May 2-6, 2019. The Summit is a high caliber event that was created to provide a unique opportunity for the very best youth, junior and senior teams in the Nation to face-off in a live competition. We are aware that our community is always eager to provide a helping hand to our all-star cheerleaders so that they may experience an opportunity of a lifetime. Any support or monetary contributions by your company that you can provide will be greatly appreciated.

On behalf of the Laredo All-American All-Stars we want to thank you in advance for your contribution.

If we can be of assistance to you, please do not hesitate to contact us at 956-723-2326.

Go LAA All-Stars,

Laredo All-American All-Stars
