SQUAD PLACEMENTS:

When placing your athletes on a squad, we consider first and foremost the athlete's age. This is a set guideline by USASF and cannot be changed. We then consider the athlete's skill/experience level. **The athlete's skill level is not solely based on tumbling skills, but on stunting and jumps as well.** Attitude and work ethic are also taken into consideration. Team placements are at the full discretion of the Coaches.

Please do not contact the coaches to request that your athlete be moved to another squad. They were placed accordingly based on their current age, skill level and work ethic. Throughout the summer, the athletes will continue to be assessed to gain a better understanding of their abilities. Please note, athletes can be moved throughout the entirety of the season if a change in their skills/attitude warrant the move. Should you have questions about their team placement, please email info@powerhauscheer.com.

COMMITMENT:

The Allstar season begins May 2019 and runs thru April/May 2020, Cheerleaders must be totally committed to this activity. If the yearlong commitment is too much for you, we do have other options available. All Practices are **"MANDATORY"**. We will occasionally request extra practices to prepare for competition. We will try to give you at least 48 hours notice of an extra practice, however, this may not always be possible. We also occasionally ask for you to participate in a parade or an extra function outside the gym, please make yourself available for these functions.

ATTENDANCE POLICY:

Attending practices is very important and critical to the team's success. **Anytime an athlete is absent, for any reason, it directly impacts the remainder of the team being able to practice effectively. Should your athlete need to miss practice the gym must be notified via adding an event in the band app calendar.** Please notate the reason for the absence. If you need assistance with this, please ask Coach Liz. **All absences must be added 2 weeks in advance to be excused.** This is so that we can plan out the practices to be more productive with missing athletes. A fee will be charged for each unexcused missed practice or competition. Please refer to the chart below. During the summer months (June 1st thru July 31st) 3 absences will be allowed before a fee is charged. We will only practice one day per week over the summer. Please plan all vacations around this if at all possible. During the competition season (August 1st thru the last competition) the missed practice fee will be charged for any unexcused absence. Athletes who are unable to practice because of illness or injury, but are present to watch practice will not be charged the fee. **The only absences that will be excused without 2 weeks notice are for a funeral, school activity for a grade or a contagious illness with a doctor's note.** Please do not bring your athlete to practice if they have a contagious illness.

Type of Practice	Unexcused Missed Practice Fee
Normal practice	\$25
Practice 1 week before Competition	\$50
Chorography camp	\$50 + the cost of a private to learn their part
Missed competition	\$100

INITIAL _____

Should your athlete not be able to practice due to an illness or injury, a doctor's note is required. We encourage all athletes with injuries and minor illnesses to attend practice to watch. This allows the athletes to pick up on any changes to the routine.

- **Should an athlete miss more than 3 practices excused/unexcused from August 1st thru the end of the season their place in the routine will be in jeopardy.**
- **Should an athlete miss more than 6 practices excused/unexcused from August 1st thru the end of the season they will be benched for the upcoming competition.**
- **Should an athlete miss more than 10 practices excused/unexcused from August 1st thru the end of the season they will be removed from the team for the remainder of the season.**

You **MUST** arrive at all practices, competitions, and any scheduled event on time and ready to go. Please advise that 10 minutes early is considered on time, as your athlete must have their shoes on, hair up, and be ready to go when practice starts. Tardiness and leaving early is also damaging to the teams' practice time.

PRACTICES:

It is the athlete's responsibility to wear the appropriate attire to practice (Power Haus top and workout shorts/capris/pants). **Shoes are a must, especially for flyers.** Appropriate practice wear is important for athlete safety and well being. If anything besides the practice wear is worn, please make sure shirts and shorts are fitted appropriately. **No baggy clothes should be worn during practice.**

There are no makeup classes for team practices. The coaches reserve the right to close practice at any time for any reason. If the gym is closed due to weather it will be posted on the gym website and a message will be sent out in Band.

COMPETITIONS AND TRAVEL:

Dates to be determined and posted by Labor Day. Competition dates will be between October and May. Please take this into consideration when booking your vacations and other major life events. **All competitions are mandatory. Please respect that it takes an ENTIRE team to perform the routines. It is a major disruption to not only the athletes, but the coaches/choreographers as well, to change a routine to accommodate missing athletes. Please note: any athlete that departs from the program after choreography has been completed, for any reason, will be charged a fee of \$300 and may not be accepted back into the program for the following seasons.**

Typically, we attend (4-7) local competitions and (2-3) away competitions Expect 4-6hrs travel time for the away competitions to places such as: Indianapolis, Branson/KC, MO, Kentucky, Chicago, Tennessee, etc. We will for sure attend two away competition. **Should we receive a bid to a Finals event, we will be attending as our 3rd away competition. If our schedule does not allow for us to attend a Finals event within a reasonable distance, we will choose a backup away competition.** I will get the Finals schedules out as soon as they are available, so that you can prepare. A finals competition may be longer than 6 hours driving travel time. Once the competition schedule is posted, it is rare, but the competition schedule may be revised, for this reason do not make travel arrangements that are non-refundable.

Not every competition we attend will have a competitor for your child's team. There is no way of knowing whether or not we will have a competitor in our division until 1 week prior, as this is when the Competition companies release the competition schedule. Since at this point we would already be registered we will attend the event. The times will be posted on band once received.

Competition fees will be added into the block fees again this year. This will typically run between \$50 to \$150 per child per block depending on the team your athlete is placed on. Please plan ahead and participate in the fundraisers that are offered to you.

All Families will be responsible for booking their own travel and hotel accommodations for the away competitions. **Each athlete must have a chaperone at every competition, and there must be a parent in every room, no exceptions.** Children will have a curfew when staying at these hotels, as they will need to be up early the next morning to compete. We ask that you watch your children at the hotel so there is no tumbling or running in the hallways, excessive riding of the elevators, or being loud and disruptive to the other guests. Should we get notified of a complaint by the hotel staff, the consequences will be decided on a case by case basis.

INITIAL _____

Appropriate dress for competitions consists of: full uniform and/or warm-up, shoes on, makeup on, and hair done. Please remember you are representing the gym. **The athlete must be in full uniform with hair in ponytail and bow in, in order to go to the awards session, no exceptions.**

We “**STRONGLY**” encourage all parents and athletes to make every effort to support all of the Power Haus teams, during competitions, this means sitting as a group, staying and watching our other teams perform, etc. **Please make spirit signs and noise makers to support our teams at competitions.** Some competitions will have awards for the craziest fans. We encourage you to dress in Power Haus Blue. Blue hair, makeup, etc. is also encouraged!

Should an athlete be unable to attend a competition due to injury or illness or any other emergency, another athlete will likely be asked to perform in his/her position. The substitute athlete is not asked to pay the entry fee, so you will still be required to pay the entry fee for your child’s position, if an athlete is not named to replace your child the fee is still non-refundable.

Families are responsible for paying the coaches wages for working and traveling to the competitions. A small fee of \$10 per local competition will be added into the block fees. Families are also responsible for paying for the coaches’ expenses for away competitions, such as hotel, meals and wages. This fee will be added into the block fees as well, but will vary based on the location. Last year the fees ranged from \$25 to \$50.

CHOREOGRAPHY / MUSIC:

An original routine will be created for each squad. The cost of paying for this is priced per athlete. The choreography/music fee will be between \$150 and \$275 per child depending on the team your athlete is placed on. This fee is charged once per season and encompasses any changes throughout the season and custom music per squad. All athletes must pay choreography/music fee regardless of when they join the team.

RULES:

Do not post any portion of the Power Haus music, choreography, routines, stunts, etc. on any social media websites without permission from the owners. Other gyms can use this information to alter their routines in order to get the upper hand on our teams. You may post this season videos **after the season is over.**

Only athletes are allowed past the gate in the gym. Parents are not allowed past the gate to watch practice, unless invited by the coaches. Un-enrolled siblings are not allowed to play on the equipment. Athletes are not allowed past the gate unless they are working with a coach and are receiving instruction. **No parent coaching will be allowed at any time during practice. Please allow the coaches to do their jobs. Should this become an issue, the parent will be asked to refrain from attending practice.**

It is the parent’s responsibility to know what is going on with your squad. Check band, your emails and the member only section of the website regularly.

Absolutely no athlete cell phones allowed during practice. Hair must be pinned up and pulled back out of face during all practices. No exceptions. Absolutely no jewelry allowed. Earrings must be removed, or taped over. Absolutely no nails longer than the tip of your fingers. **These rules are for the athletes safety.**

The words “I CAN’T” and “NO” are not allowed and will be “rewarded” with conditioning.

We offer a snack bar in the gym. You may setup an envelope account at the snack bar for your child, so they don’t have to remember money each practice. No food/drinks/gum beyond the gate.

The Owners of Power Haus reserve the right to add/change rules at any point throughout the season.

CODE OF CONDUCT:

Gossip will not be tolerated towards any team member, parent, or coach. Athletes and Parents must treat all other athletes, coaches, and parents with respect and courtesy. Please keep all comments about other athletes/parents/coaches to yourself, as this will cause a negative environment on the team/in the gym. Should it become an issue the athlete/parent will be asked to leave the gym.

Disrespecting/talking back to a coach or staff member will not be tolerated; the athlete will be sent home and the absence will count as a missed practice. Should gossip/disrespect become an issue, the matter will be addressed on an individual basis, and the likely outcome will be departure from the gym.

If your athlete is caught sending or posting, rude or inappropriate messages, on any type of social media there will be consequences. 1st warning = meeting with the parents. 2nd warning = removal from the squad and gym, with no refund.

COMMUNICATIONS SEND TO: Info@powerhauscheer.com

Primary form of communication at Power Haus will and can be handled thru band and email. Emails will be answered within 1-2 business days. Please also keep an eye on the members only section of the website (powerhauscheergym.com). Each athlete will need to register with band and on our website. I will send out information on how to register once the teams have been set.

Should you have any concerns or suggestions please contact the owners, Liz or Matt. They will be happy to discuss any concerns with you. Please email or call to set up an appointment to meet with them. Should you like to speak to a coach, please call the gym to schedule a time to meet with them. Please do not interrupt them during practice as this inhibits their ability to do their job.

FUNDRAISING:

We offer a variety of fundraising to off-set fees during the year. They are all personal fundraisers that are applied directly to the account of the student doing the fundraising. If we do a group fundraiser, such as a car wash, the profit will be split accordingly between only the students/parents that participated in the fundraiser. If you participate in the fundraisers it is possible to pay for your entire season. Fundraising profits will be applied to your account in accordance to what is due on your account. You may not select where the profits go unless your account is current.

We will be doing ONE Gym Fundraiser that will help to pay for the Christmas party, end of season party, athlete Christmas presents, Finals gifts, etc. Due to the amount of work it takes to organize all of our fundraisers and the fact that every athlete receives a gift and is invited to the parties, everyone must participate. Each athlete will be responsible for selling 5 tickets for the Raffle at \$10 each. Should you sell more than your 5 required tickets, a profit of \$5 for each additional ticket will be added to your individual account.

We are always looking for new ideas for fundraisers. Should you have a suggestion, please email the information to info@powerhauscheer.com. Please note we are NOT a non-profit business and this limits our options for fundraisers.

FINANCIAL & PAYMENT POLICIES:

TUITION PAYMENTS are due the 1st practice of each month. Tuition will not be prorated or refunded for any reason including: absences due to vacations, school functions, social events, injuries or departure from the program, cancelled practices due to holidays, weather related cancellations, or other gym related cancellations. Payments are applied to the oldest unpaid charges in the account, no exceptions. All fees are non-refundable. Should you choose to leave the program mid season; all competitions that have been registered for will not be refunded to you. A 30 day notice is required should you opt to leave the program. **Any athlete leaving the program after choreography has been taught will be fined \$300.**

Any account not up to date will be dealt with on a case by case basis. **Please note that any account not up to date at the end of the season will not be allowed to try out for the next season.** PHC does utilize a collections agency for any accounts that are 61 days past due, past due balances are subject to collection and attorney fees.

Bounced checks will be charged \$35.00 in addition to the actual amount of the check. This amount will need to be paid in cash no later than 3 business days from the date of insufficient funds.

- **I understand that it's an expectation that each family that joins our cheer program understands this is a commitment for a full year. I understand that should I leave the team before the end of the season, that it includes a fee of \$300 and may impact next season's tryouts.**
- **I understand that my commitment is for the May 2019- May 2020 All-star competitive season.**
