

Aerial Silks Birthday Party

Book your child's private Aerial Silks party at Metro Gymnastics. Each party has one of our certified aerial aerobic instructors leading your child's 90 minute party. The first hour your child and their guests will have the opportunity to learn the foundations of the aerial silks and basic wraps. The party guests will continue by learning to climb low and progress higher up the silks. Finally, the children will help the instructor create a short routine in the air. The last 30 minutes is set aside for opening presents and cake time.
