Nothing gives a child a greater sense of self-esteem than a well-performed physical skill. At Metro Gymnastics, your child's physical and emotional development is our primary concern.

We are celebrating our **36th** year of fun and learning at **Metro Gymnastics**. Metro opened its doors in 1979 as a small neighborhood club. The Blackledge family bought the gym in 1981 and expanded the facility to almost three times its original size. In June of 2016 we expanded our recreational program to the front of our existing building in Suite A. This newly remodeled and air conditioned facility has been a wonderful addition to our class program. The Team Training Center, Suite F, continues to host tumbling classes, bigshot classes, select girls recreational classes as well as our competitive team members. The Metro Staff puts all its energy into developing a caring and sound gymnastics learning curriculum.
