

To whom it may concern,

Aero Allstar Cheerleading is entering its 11th season for 2016-2017 and is the most well-known and accomplished Allstar Cheer program in Western NC. We are committed to strengthening boys and girls through physical activity along with the development of social skills, work ethic, and self-esteem. Aero's Allstar Cheerleading program requires a twelve month commitment which involves the consistent practicing of elite tumbling, stunting, jumps, cheer, and dance, which is then put into a phenomenal routine that is performed at many regional and national competitions in the Southeast each year. At Aero we not only teach children in the areas of cheer and tumbling, but help equip our youth with what they will need to be strong adults in the years ahead. Allstar cheerleading trains and prepares athletes to have the potential to also earn college scholarships in the future. We hope that you will help us in this endeavor of strengthening kids and families; we would like every child that wants to cheer to have the opportunity. Your sponsorship will make a difference!

Thank you for your consideration to contribute to our program!
