## **Welcome to Champion!**

## CODE OF CONDUCT / SPORTSMANSHIP

All team members must behave in a professional and mature manner as a representative of the Champion All-Stars and/or teammates. It is expected that all athletes will act with complete RESPECT to the instructors and other students in the Champion program, as well as the staff and students of other practice/competition facilities, parents, judges etc. Schedule an appointment to meet with a coach – NOT during a practice. Refrain from gossip, Accept team placements and awards with dignity and class. Behavior that damages the Champion reputation will not be tolerated and may result in the participant's dismissal from the practice or event, and eventually dismissal from the team. If necessary, the coaches have the right to terminate (**without notice or refund**) any individual who does not follow the rules or whose behavior interferes with the daily progress and teamwork of the other team members or coaches.

## CHEERLEADER GUIDELINES / RULES

Not following the below guidelines is possible cause for termination from the squad.

- Agree to abide by the Guidelines, Rules, and Regulations set forth outlining Code of Conduct and 10 Core Habits.

Some fundraisers will be mandatory. (Basket Raffle)

- Missing tumble classes when on a level 4 or 5 team will not be acceptable. These level always have extra tumble times during the week, so there is no excuse not to tumble at least once a week.

# 10 Core Habits

One of the missions of the Champion Cheer and Tumble Center is to have a unique approach to coaching. We believe in positive reinforcement and building strong personal character within each individual athlete. The 10 Core Habits serve as a written explanation the Code of Conduct. Our Code of Conduct is created in order to promote the qualities that we will aim to develop in the young athletes participating in our program. We are confident that almost every conflict has the potential to be avoided by putting these 10 habits to work.

## 1. Show Up

Your team needs you. Being a part of a cheer team is like being a piece of a well oiled machine. If any of the parts are missing or not operating at its best, the whole machine stops working efficiently. One of the easiest ways to succeed is to simply show up. Each individual is responsible for making sure that they have an efficient, RELIABLE, and punctual means of transportation to and from practices and/or events.

## 2. Give 100%, 100% of the Time

Why are you here if it's not to try your best? Champion All-Stars is a competitive cheerleading program and our goal is to obtain the necessary skills to be able to compete at our very best. Any time you give less than 100% both you and your team are not meeting their full potential. Don't complain, complaining creates negativity and negativity spreads rapidly. Stay POSITIVE! Work hard, and then play hard! Because it's fun to be good!

## 3. Eat Right

Your body needs to be at its best too. Giving 100% is difficult when your body is deficient in nutrients. Do not eat less, eat better! Eat something healthy and high in complex carbohydrates like oatmeal or rice, before you come to practice. While you are at practices DO NOT eat junk food because your sugar high will quickly become a sugar low and that will not help your progress at practice. "I did not eat anything today" will not be a tolerable excuse at any time. By respecting your body, your body will give back to you.

## 4. Be Responsible

Taking responsibility for your actions plays a huge role in developing your character. A teammate that blames other is a teammate who becomes disliked by many. When it comes to school, homework, jobs, or anything else of that nature you are responsible for you! Practice time is practice time and each cheerleader must learn to balance things like school with other things you have chosen to do in addition to all-star cheerleading. Balance is the key. Balance is the skill you must possess in order to be a part of our team. Do not use any of these as an excuse to not follow through with your commitments. Organize and prioritize your schedules on a regular basis.

## 5. Be Accountable

Coaches and teammates are counting on you. Once you start, don't give up! This program is difficult, but anything worth having is worth working for. Please be sure that once you start this program, you intend to finish until the end. Giving up in the middle or towards the end will not be an option. If you already know that you plan on not following through, then Champion All-Stars may not be for you.

## 6. Always Show Respect

Show respect not just to your coaches but to everyone. You are no longer just a walking representative of yourself, but you are a walking billboard of your coaches, teammates, and the Champion All-Stars cheerleading program. While in the public eye uphold the professional reputation that Champion Cheer and Tumble Center strives to maintain. Be caring and considerate of other's feelings, be friendly and approachable, and most of all drop any poor attitudes at the door. Also remember that the Champion Cheer and Tumble Center is a safe place for everyone to feel at home. Respect it by picking up trash & keeping things neat. Take pride in yourself and what you do.

## 7. Communicate

Not many people can read minds. Communication is key in order to stay clear of confusion, frustration, and assumption. Learn this skill and you will win with people. It is a valuable tool for success. Keep yourself in check are your comments positive? Do you encourage your teammates & encourage yourself? Be aware of your thoughts, too. Your thoughts will create actions, and your actions speak louder than words.

## 8. Be Coachable

Trust that your coaches know something or have accomplished something in their lives that you have not. Don't argue, talk back or negatively, and DO NOT show disrespect! Even when you may not agree or understand completely, your coach's care about you and would not ask you to do anything unfair or unreasonable. There is a thought process and real life experience behind everything that you will be taught. Have faith in our program!

## 9. Stay Focused on the Goal

Goals give us purpose, a reason to push ourselves, and to see progress in our development. Find your focus even when the goal gets tough. Tough times never last, but tough people do. Through adversity, overcome. The Champion All-Star philosophy does not look at a trophy as the goal. Remember your commitment to your own success. Whatever the goal may be, remove distractions, go all out, and never EVER give up or sell your self short.

## 10. Never Quit

You do have what it takes to be a winner! Get pumped up about that. All ten of these Core Habits are specifically designed to help you realize that if you follow the first nine habits, then number 10, Never Quit, will never be an issue. Quitting won't be an option for you and that's what pride is all about. Know these habits, practice these habits, and grow.

**Champion Cheer and Tumble Center is committed to promoting a healthy lifestyle for all of its participants. Conduct contrary to this philosophy and/or conduct which poses unacceptable risk and disregard for the health, safety, and welfare of the participants may result in dismissal from the Champion All-Star program.**

## Confidentiality

The Champion Cheer and Tumble Center and Champion All-Star Cheerleading program aims to provide the best and most unique choreography. Teaching, coaching, and choreographing are our livelihood, and most importantly how we keep the Champion Cheer and Tumble Center alive.

By joining the Champion All-Star program all members and parents agree to keep all Champion related material (written or intangible) confidential. In addition to our fees, this agreement is an integral part of the consideration received in exchange for our services, and includes but is not necessarily limited to dance routines, stunts or pyramid sequences, tumbling passes, and similar maneuvers. This is our artistry, and it is subject to the same legal protections as other forms of art. As you know, nobody can legal copy a movie, painting, or CD without permission. Likewise, nobody can copy our work without our permission. Please do not teach or share Champion All-Star choreography, students, dance routines, or other material of any kind with your school cheer team or friends. This requirement is critical to our success in a very competitive field. **Any violation can result in immediate dismissal from our program without refunds or reimbursements.**

## Social Networks

It is important that any individual choosing to keep a Social Network (Facebook, Twitter, Instagram, Snapchat, ect.) or any other online profile recognize that there are certain expectations in terms of acceptable material. If you have any pages of the sort, your page may be monitored, and must be maintained according to the following standards:

- No photos of a Champion All-Star member with alcohol, appearing intoxicated, or wearing excessively revealing clothing. No content that consists of sexual, aggressive, or immature behavior, as determined in the sole discretion of the Champion All-Star coaching staff.
- No foul, vulgar, profane, or obscene language is permitted, as determined in the sole discretion of the Champion All-Star coaching staff.
- No personal information shall be posted, including: address, phone numbers, class schedules, routines, choreography, etc.
- It is highly recommended that Champion All-Star members place a privacy block on their pages- therefore limiting their profiles and photos to “request/approve friends” only.
- Champion All-Star members must protect personal information of all other Champion All-Star members.
- No one is allowed to post any Champion Music, video’s or routines on any sort of website.
- Never post any negative comments on any social media site. You may not use the word “Champion”, derivative of that word, or your team color in any form as a user name on a website or chat room.

## **School Year Competition and Travel**

Each cheerleader is responsible for all competition and travel costs, and for making his or her own related travel arrangements. Registration costs vary per competition. There will be a coach's fee added on to the cost of registration per cheerleader in order to cover coach's costs. Extra practices can be added the week of a competition.

### Competition Fees

Detailed information on competition fees will be handed out and payment due dates will be set. Release forms for competitions **MUST** be turned in right away after being handed out. We have had problems with both of these items and we will use alternates if payments or forms are not turned in by the due date. This includes classes that are not paid on time.

## **Breaks and Closures**

The Champion Cheer and Tumble Center aims to reasonable accommodate and honor most school related breaks and closures. Unplanned school closures may or may not affect us at the gym. If practices/classes must be canceled due to emergency, poor weather conditions, or any other unforeseen circumstance information will be on the gym answering machine and our website.

## **Individual Events**

Individual events – there are various individual events these are different at all competitions. Coaches will ask a cheerleader if they are interested in doing an individual event. **DO NOT ASK** to do an individual. But do remember if you are asked we will **NOT** put two cheerleaders in the same age group from our gym in the same division. There are extra expenses for doing an individual – private classes, music, and choreography. Coaches will not be picking cheerleaders to do individuals till after we have started all star teams and we get to review cheerleaders and there progress. Just because a cheerleader had an individual last season does not mean they will have one this season. Fees for individuals must be paid in advance so music can be ordered. All private classes must be paid directly to the coach conducting the private. Payments must also be made PRIOR to the lesson beginning or the private will **NOT** be held. Anyone doing individuals must be attending private lessons or you cannot compete.

## **Senior Scholarship**

Scholarships are offered for seniors, restrictions do apply. Please pick-up a scholarship packet and form to apply. We will not be reminding seniors about this. Please turn the scholarship application in on time or you will not be eligible for a senior scholarship.

## **CA Boosters**

CA Boosters is an organization that **ALL** All Star parents/guardians are part of. This group handles fund raising and team get togethers (Christmas, end of season banquet etc...). Booster Packets will be handed out at the first parent's meeting.

## Policies and Procedures

The importance of attendance has been mentioned in both the Code of Conduct and Core Habits for the Champion All-Star program. **If a child must miss a scheduled practice time it must be excused by a coach PRIOR to the missed practice. Coaches will not excuse a participant without a signed letter from the parent explaining the reason for the absence.** Please fill out an absentee form 2 weeks prior to a school event. Only excused school activities are if it is for a grade. All competitions are **mandatory**. Your cheerleader WILL NOT be guaranteed excused from practice just because they told a coach they would be absent. A cheerleader may have extra work-out time at the next practice due to their absence. Cheerleaders may not miss the practice directly prior to a performance or competition unless it is an emergency or approved by the coaches with a signed parent letter well in advance. Please be aware of the following.

### School Work

Cheerleaders must not use school work as an excuse for absences. Everyone has school work. School is and will continue to be important, however you must manage your time in order to balance school work and all-star events/practices. School work will **NOT** be considered reasonable ground for an excused absence.

### Other Sports or Extra Curricular Activities or Jobs

Our teams schedule is firm. At the time of signing up for this program you also sign up with the knowledge that you may have to make sacrifices or changes to your anticipated schedule in order to accommodate various commitments to the team. No one wants to become second or third priority. Please be cautious of additional sports, activities, or jobs that you choose to add to your schedule. Absences due to these activities may or may not be excused by your coaches. But these absences can't be excessive. Please be aware that there may be a couple of competitions that interfere with high school basketball games. If you will be cheering on your high school basketball squad it is **required** that you get approval from your high school coach to miss a few games. The competitions may or may not interfere depending on your high school schedule. We only excuse from practice if a school activity is part of a grade. We must have notice of school activities a head of time, NOT the day of the activity. We need to practice with the whole team, especially the week of a competition, so advance notice is important so we can reschedule a practice if necessary.

### Illness

If mildly ill, and not contagious, all cheerleaders are encouraged to still attend regular practice, even if they choose only to sit and watch. There is much to be learned by listening through practice as well as physically participating. Showing up during these circumstances also shows **dedication, respect, and commitment** to both coaches and teammates.

### Injury

Most injuries still permit team members to attend practices and events. Cheerleaders should participate to the best of their abilities with consideration to the injury. Example: if a wrist or arm injury, the cheerleader may still do things such as stretch, jump, mark through stunts, and formation changes, etc. Showing support by attending even if unable to participate physically, is expected for all team functions. If you can not participate in practice we need a doctor's note. We will also need a Doctor's release when you can return to practice or compete. We will not put you back in until we have this.

### Serious Illness or Injury

In the case of serious illness or injury we need to be informed ASAP of an absence and given the estimated timeline for their recovery and return. A doctor's note is also required to make coaches aware of what can and can not be done by the participant. Coaches are to receive sufficient communication and/or doctors note regarding an athlete's ability or inability to perform specific requirements associated with their normal tasks as a member of the team. Additionally, recognize that the coach may need to make adjustments to the team's choreography if any cheerleader is unable to follow through with a performance element or competition, perhaps even indefinitely. Although this is never enjoyable there are some things beyond a coach's control. All team members must be prepared to make changes should a situation such as this arise. Please note that an injured or ill participant's spot may be filled with an alternate until the participant is able to perform the skills they had prior to the illness or injury.

### Family Emergency

Please do not use this term lightly i.e.: returning home late from a family vacation is not an emergency nor will be considered one. In case of an actual emergency please inform your coaches ASAP. Call your coach at any time.

### Pre-Planned Absences

If a cheerleader is aware that they will have to miss a practice written notice must be given to the coach one week PRIOR or sooner to the missed practice. Please be aware that even if a written note is given, your child's missed practice may or may not be considered excused. If this becomes a constant thing with a cheerleader, Coaches will be discussing whether you have time to commit to an all-star team.

**WHEN MISSING A PRACTICE – IT IS YOUR RESPONSIBILITY TO TELL US NOT YOUR FRIENDS OR ANOTHER CHEERLEADER–** Excused missed practices will only be considered if a written and signed parent letter has been received and the reason for your absence meets our missing practice requirements. Use our Absentee Forms available on our website and at the gym. A parent must sign these.

### Gym

The appearance of the gym is important to the coaches. All trash must be disposed in the appropriate trash receptacles. Do not pour anything down the drinking fountain.

### Champion Name

Sherry Bodey (gym owner) is not allowing any privately lettered clothing bearing the Champion name. Anything created will not be acceptable and cannot be worn or sold separately. If you already had something made with Champion name please stop wearing it unless approved by Sherry.

## Parent Guidelines

Being a parent in the Champion All-Star program can be a fantastic experience. Help us make your child's experience just as amazing by supporting both your child, and the Champion All-Star program, with a positive example for your child to follow. In addition to encouraging our expectations of your child, we also ask that you agree to the following.

- Parents do not withhold your child from practice or competitions as a form of punishment.
- The gym is not a babysitting service. If older children are spending extra time in the gym, they are to be working, not disrupting class or using the time to socialize or bothering the coaches.
- All squad and routine decisions are left up to the coaches, not the parents.
- Anyone threatening to quit or pulling his or her child from the squad will be dismissed immediately.
- Parents are always welcome and encouraged to attend events, but are expected to attend as spectators and not extra coaches or commentators. If for some reason you disagree or unhappy with a philosophy or decision of the Champion All-Star program, judging at a competition, etc. Please request to set up a time to talk to your child's coach first. **Refrain from making unreasonable demands or talking negatively amongst each other as parents or to your child.** This can only hurt the children and overall atmosphere of the program and WILL NOT BE TOLERATED.
- No one is allowed to yell out onto our practice floor. This is extremely distracting to all involved.
- Parents are not allowed to represent Champion under any circumstances concerning accommodations, competitions or other situations.
- Understanding committing to the information outlined in this packet is essential. As a parent of an all-star cheerleader we ask that you help us teach the importance of commitment, follow through, and dedication to your children. Enabling your cheerleader to quit, shows unsportsmanlike conduct or jeopardize the safety or well being of fellow teammates this WILL NOT BE TOLERATED.
- Please remember that by choosing to participate in the Champion All-Star cheerleading program you as a parent assume full responsibility for your child's attendance at all events, practices, and competitions that are scheduled. Parents should NOT schedule family events during practices. Please do not take your child away from the team atmosphere that is needed during such events. For example; please sit with our team at events and stay where we book hotels. Especially during two day events for last minute team meetings or practices. Withholding your child from a practice or event hurts the team and its progression toward success. We need every athlete at every event and gathering. This can jeopardize a participants spot on the team.
- Please help your child be organized and time efficient. Missed practices due to oversleeping, procrastination on homework, a job or non-school related activity, **will not** be accepted as an excused absence. If there are any medical items a participant may need it is the parent's responsibility to make sure coaches have access to these items. For example inhalers or migraine medicine, etc...
- All parents will be expected to conduct themselves in a **professional mature manner** whenever they are representing the Champion Cheer and Tumble Center. Showing respect for the coaching staff, other teams, and hosting organizations is crucial in representing Champion All-Stars and setting the best possible example for the program. Unprofessional conduct WILL NOT BE TOLERATED. Keep in mind it is possible for a participant to be removed from a team due to a parent's actions.
- It is ultimately a parent's responsibility to financially support the activities that they choose to allow their children to participate in. Parents must understand that it is their responsibility to follow through with the financial obligations associated with tuition and other fees during the competitive season. Should you fall behind or fail to make the necessary payments, please acknowledge and clearly recognize that your child's involvement in the Champion All-Star cheer program may be jeopardized.
- All transportation and accommodations to events will be the sole responsibility of each family. Any money that parents spend regarding travel for themselves, family member and friends to the competitions and other events is done at their own risk. Champion All-Stars will do our best to get information to you in a timely fashion, however, there is a chance that competitions may be cancelled or rescheduled. If your child will need a chaperone for an event, it will be your responsibility to make your own arrangements.
- Parent booster meetings will be held monthly starting in August, except for the month of December, during the season. It is strongly recommended that at least one parent/guardian attend each meeting. Fundraisers can only be done through the CA Boosters. You cannot do fundraisers on your own without Booster approval.
- It is the parent's responsibility to know what is going on with your child's squad. Please check your email, website, social media and board in the lobby for valuable information.
- Please do **NOT** ask your child to do skills the coaches themselves have not asked them to do to help prevent injury to the athlete.

**Parents and members will primarily receive team related information and updates at booster meetings, postings at the gym, social media and on our website. It is solely your responsibility as a parent to keep up with these regular updates.**

## Financial Policies and Procedures

As with any extra-curricular activity, competitive cheerleading is an added expense financially. There will be avenue to raise funds for your child's expenditures through out the year. We urge you to involve yourself with fundraisers in order to maximize the extent of your child's experience with Champion All-Stars. **Although we attempt to give our best estimates on costs associated with our program please remember that these are estimates and some changes may occur.**

In addition to time, commitment, and hard work there is a substantial financial obligation to being a part of the Champion All-Star cheer program. Please read and carefully review all of the following policies and procedures for the season.
