Summer in Review

WE had one eventful summer! Were you a part of it? WE kicked things off with The Greatest Big Show on Earth but didn't stop there! The WEDC Competed at Fusion Nationals in Daytona Beach, FL and won three National Championship Titles! Our cheerleaders learned their choreography for the upcoming season and we are in love with their routines! WE also got to share our summer with some of our favorite local schools, Valdosta High School, Pine Grove Middle School, Hahira Middle School and Georgia Christian School at the NCA camp and sideline camp we hosted.

Did you miss out on our summer fun? Join us this Fall! Classes begin.....

September 5th!
