## FREQUENTLY ASKED QUESTIONS:

### **Q: What are some of the duties and responsibilities of being a B<sup>2</sup> instructor?**

A: As an instructor, your duties might include teaching: one day clinics, home camps, resort camps, commuter camps, and more.

### **Q: What are you looking for in a B<sup>2</sup> instructor?**

A: We look for more than talent when hiring our instructors. Along with the right skills in dance, we want our instructors to possess strong character, responsibility, work ethic, and leadership skills. Our instructors should be team players and work well with others. We teach more than dance at our summer camps. We teach young men and women how to be true leaders and role models in their schools and community.

### **Q: What is your hiring process?**

A: The first step in our hiring process is to receive your application, head shot, answers to the hiring questions, and video of your skills. After receiving all of the applications, we will select those that make it to our phone/facetime interview round. During the phone/facetime interview session, we will talk with you and really try to get to know you! After the interview session, we will make our final staffing decision on who we will ask to work for us this summer.

### **Q: How will I be notified if I make it to the phone interview and then actually hired?**

A: You will be notified by email and/or phone call. Staff is hired each year based on our projected camp numbers and the number of our returning veteran staff. If you are selected, you will be emailed a comprehensive packet of information that will contain paperwork and detailed information on all areas of working summer camps for us.

### **Q: If hired, how will I be trained?**

A: All new staff members must attend our NEW STAFF TRAINING on Sunday, April 21, 2019 in Hot Springs, Arkansas from 1:30 p.m. until 5:00 p.m. This introductory staff training will cover all of the basic aspects of your job. All staff (both new and veteran members) must attend CAMP STAFF TRAINING on from Wednesday, May 29, 2019 at 1:30 p.m. until Friday, May 31, 2019 at 5:00pm. We will coordinate transportation to/from the staff trainings, and all expenses are taken care of for the meeting and trainings, however, salary is not paid during these training sessions. We simply cover mileage, meals, and hotel for staff training.

**Q: Do I have to work every single camp and week during the summer?**

A: No. You will only be placed on a camp date if you list that as one of your available dates on your availability form. New instructors must work a minimum of four (4) camps in order to be eligible for employment with the company.

**Q: How will I be placed on camps?**

A: Your availability during the summer will be the biggest factor in determining how many camps you will have on your initial schedule. We will send out a camp date availability form with your employment packet. You will fill out the dates you are available to work on the availability form. Most first year instructors staff 6 – 8 camps per summer, sometimes more depending on your teaching ability. You could be scheduled to staff camps within a 5 to 6 hour radius from your home address. We will attempt to give you camps as close to your home as possible and/or schedule camps to where you are able to travel with other instructors, however, there are times when you will be teaching a camp by yourself (don't worry...that's where our training comes in). Travel is a required part of this position, and you are ultimately responsible for getting yourself to and from each camp. The more flexible you are, the more camps you will receive throughout the summer. Camps that grow in enrollment and the addition of Home Camps will allow you to add camps continuously throughout the summer as your schedule allows.

**Q: How much will I get paid?**

A: Our pay scale is based on years of experience and performance and will be set up in your contract once you are offered and accept this position. Once at camp, all lodging and meals will be paid for by us. On top of your base pay, you will receive non-taxed expense money per camp for travel/additional meals (where applicable). If you are asked to go beyond a 40 mile radius from your home, you will be given mileage beginning on the 41<sup>st</sup> mile. You will be trained on all of these procedures at staff training.

**Q: Is this position year round?**

A: Summer is our busiest season; however, we are always looking for competition staff, judges, tryout instructors, bowl game attendants, and more. We always offer our instructors first pick when jobs come available throughout the year.

**Q: How old do I have to be in order to be hired?**

A: In order to be hired for our company, you must turn eighteen (18) years of age on or before June 3, 2019.
