

**B<sup>2</sup> CHEER & DANCE**  
**CHOREOGRAPHY ARTICLES OF UNDERSTANDING**

We appreciate you choosing B<sup>2</sup> Cheer & Dance as your choreography company this year. We commit to provide you with the best choreography in order to highlight your team's abilities with the latest and most innovative choreography. In order for your choreography session to be as productive as possible; please read and sign the Articles of Understanding below. Please make sure you fully understand these responsibilities before signing and dating this page:

- ❖ The choreographer is knowledgeable of the basic rules and regulations for competitions. It is the coach's responsibility to understand the specific guidelines and scoring system for each competition they plan to attend.
- ❖ Some competition companies may require you to provide information regarding the music selected for your routine. We will submit the receipt with proof of proper licensing once your music has been delivered. It is the coach's responsibility to keep up with the receipt and take with them to all performances and competitions.
- ❖ As a choreographer, we can only provide you the routine which best highlights your team's skills to score as high as possible on a general score sheet. No choreographer can guarantee a specific placement in any competition.
- ❖ In any given season, your team's skills may change drastically from start to finish. The routine provided for you is based on the skills that you, as a coach, think are within the ability level of your team to perform to a certain level of perfection. Our choreography sessions **ARE NOT** skills camps. Due to the extreme amount of detail of choreography today, only a reasonable amount of time should be spent trying to perfect certain skills that the choreographer may create for your routine. Please be as accurate as possible when speaking with the choreographer prior to your clinic on the skills that your team possesses. It is YOUR responsibility as a coach to know the limits of your team and to let the choreographer know if you feel something is too difficult or simple **AT THE TIME** of your choreography session. It is **NOT** the choreographer's responsibility to perfect your material.
- ❖ The choreographers will be available by email ([brian@b2cheerdance.com](mailto:brian@b2cheerdance.com)) or text/phone (501-617-1061) to consult with you throughout the competition season. If you have a problem with the routine, the choreographer can only provide you with ideas to make adjustments. It is not a guarantee that the choreographer will be able to return to your squad in person to make adjustments, as this is NOT included in your choreography agreement.

By signing below, you acknowledge that the information above has been reviewed and you fully understand the responsibilities. Thank you for choosing B<sup>2</sup> Cheer & Dance. We wish you the **BEST OF LUCK** this competition season!
