For tryout purposes, an athlete's age is determined by their BIRTH YEAR (Age as of 12/31/20).

An athlete must attend ONLY ONE of the Tryout/Evaluation times.

Saturday, May 23rd

11am-12:30pm – Ages 4-6yrs

12:30-2:30pm – Ages 7-11yrs

3-5pm – Ages 12-18yrs

If your athlete would like to be evaluated for a flyer position, they will be evaluated at the end of their age/level tryout.

***All dates are tentative based on government and CDC recommendations. We will reschedule if needed. We want to make sure to provide the safest environment for everyone.**

***Special note: The viewing area will be closed during evaluations.**

What to expect at our evaluation? We will try to make the process as less stressful as possible. Athletes will be shown a short routine to perform at the best of their ability. Then they will have an opportunity to show us any different running tumbling passes, standing tumbling or jumps that they would like us to see. Everything we need to see; they will have a chance to show us during the evaluation process.

Does everyone make a team? We have many different level teams at Liberty, therefore if your child has the required skill, we will find a place for them on a team.
