MARYLAND ALLSTARS

2018-2019 FINANCIAL INFORMATION

Competitive cheerleading, while not as costly as many other activities, can still be an expensive sport. Before considering this or any other program, please carefully consider the financial commitment. If there are concerns about cost, please let us know and we can offer suggestions such as fundraising, paying up front, carpooling, sharing hotel rooms, etc. If you have any questions regarding billing, please email sandy@mdallstars.com.

A schedule of payments is provided in this packet. It is your responsibility to abide by the payment schedule. It is NOT Maryland Allstars responsibility to remind you when payments are due. Any payment received after a due date will result in a \$25 late fee. The payment will first be applied to the late fee then to the balance being paid. Regardless of payment method, all members of Maryland Allstars, must have a credit card number kept on file. Athletes with outstanding balances will no longer be able to participate in the program. Any payment that results in a declined or expired card or returned check will incur a \$35 service charge.

Payments received to an athlete's account will first go to open balances before an athlete may purchase any retail items. Athletes that have open balances may not participate in private lessons or additional classes until their account is current. Maryland Allstars will remove an athlete from the team if the financial commitment is not upheld. Accounts that are past due for more than a month may be sent to a collections agency.

Below is a list of fees associated with the full year program. While we try very hard to predict the costs up front, please note these fees are ESTIMATES and may change at any time during the season. All payments are non-refundable.

During the course of the season, teams may win bids to end of the season events such as US Finals, Summit, D2 Summit, Worlds, etc. It is Maryland's Allstar's policy that any bid to D2 Summit, Summit and Worlds will be automatically accepted. Any team being awarded a bid to these competitions will automatically attend the event.
