“Drama Mama” Clause**

Parents, Signature Required turn in with Registration Paperwork!

Thanks☺

“Drama Mama” Clause

I understand that I am an example to others around me and more importantly to my children. I understand also that my character and actions should reflect this, and that a “drama mama” attitude is not acceptable and further more could jeopardize my child’s place in this program.

I also UNDERSTAND that if ALL paperwork is NOT complete my student will NOT be able to take class until complete.

I will be responsible and check the website calendar for questions about dates

(Mama’s or Parent signature)

Thank you!☺
